EEN PROJECT UIT ONZE LIVESHOW - MONDAY MADNESS - 13 MAART 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a vibrant 8 by 8 inch dimensional sunflower card featuring a charming farmyard sheep character. The sunflower is built up with layered petals in blended orange and yellow inks, embossed for wonderful texture and dimension, set against a polka dot sky and green grass background. This cheerful design combines stamping, ink blending, embossing and dimensional layering techniques for a stunning result.

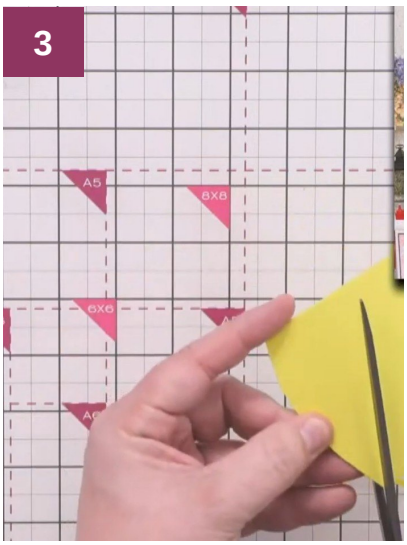
STAP 2 VAN 13

Cut a strip of green gingham card and draw a wobbly grass line across it freehand. Glue this strip to the bottom of your purple polka dot card base to create a grass border.

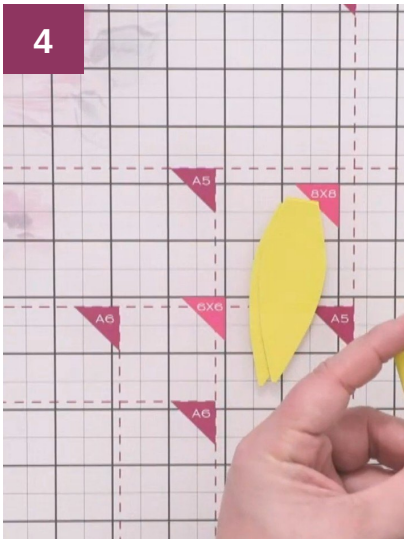
BEKIJK DEZE STAP - 20:30



STAP 3 VAN 13

Cut a strip of yellow textured card 3.25 inches wide and fold it in half twice to create the petal shapes.

BEKIJK DEZE STAP - 22:15



STAP 4 VAN 13

Freehand cut petal shapes from the folded yellow card, starting at the bottom and cutting up to the top to create organic petal forms.

STAP 6 VAN 13

Run the inked yellow and orange petals through your embossing machine using the retro spots embossing folder to add texture to each petal.

Glue the first layer of four embossed petals around the black circle centre, spacing them evenly to form a cross pattern.

BEKIJK DEZE STAP - 27:30

STAP 9 VAN 13

Add a second layer of four petals between the first layer, positioning them in the gaps to create a fuller sunflower. Attach each petal to the centre using adhesive.

BEKIJK DEZE STAP - 28:15

10

STAP 10 VAN 13

Apply glue to the back of a final petal and position it to fill any remaining gaps between the existing petals, creating a fuller, more dimensional sunflower.

BEKIJK DEZE STAP - 28:45

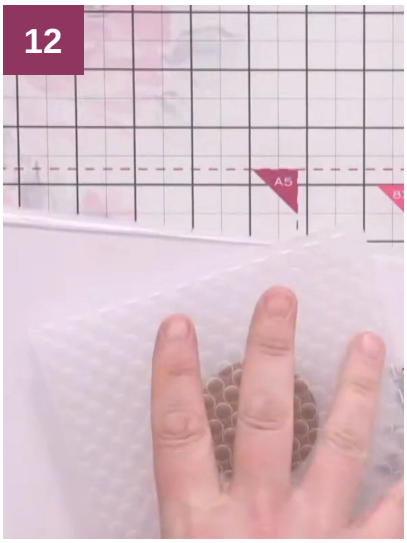
11

STAP 11 VAN 13

Emboss a circle of brown card using the Star Cluster embossing folder. Glue the embossed circle to the back of the sunflower petals to hold them in place and create the flower centre.

BEKIJK DEZE STAP - 30:00

12



STAP 12 VAN 13

Stamp the sheep character onto white card using black ink. Colour the sheep with ink and a spot brush. Die-cut the sheep and attach it to the card front using foam pads for dimension.

BEKIJK DEZE STAP - 31:30

STAP 13 VAN 13

Adhere the dimensional sunflower to the card front using glue. Position the circular sentiment in the centre of the sunflower, lifting and curling some of the petals upwards to create extra dimension.

TIPS UIT DE SHOW

- Make petal shapes slightly different from each other to create a more natural appearance.
- You may need to use shims with your embossing machine to get the correct pressure on embossing folders, as they are hand-assembled.
- Let glue dry before lifting petals, or work quickly to position them while glue is still wet for more flexibility.
