EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT SHOW 10TH MAR 23 - 10 MAART 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant white-on-white card featuring beautifully embossed hearts with stunning three-dimensional detail. Using a high-definition 3D embossing folder and white ink, you'll achieve a sophisticated, subtle effect with raised texture that catches the light. This classy technique is perfect for wedding cards, anniversary greetings, or any occasion requiring a refined, monochromatic design.
