

## Shaker Card with Circular Window Inside Greeting Card

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT SHOW 10TH MAR 23 - 10 MAART 2023

### OVER DIT PROJECT

Create a delightful surprise greeting card featuring a circular shaker window hidden inside. This charming design combines a traditional folded card with an interactive shaker element filled with floating daisies, butterflies and embellishments in soft pastels and naturals. The shaker technique uses acetate, foam tape and sequins to create movement, whilst the card can conceal a special gift of money or vouchers.
