

Grungy Striped Background Card with Crash Character

EEN PROJECT UIT ONZE LIVESHOW - MONDAY MADNESS - 6 MAART 2023

OVER DIT PROJECT

Create a striking grungy card featuring a cool gamer character with purple hair and sunglasses set against a distressed striped background. This project combines embossed paper strips in vibrant colours with stamped sentiment boxes, using embossing powder to add sparkle and dimension. The technique demonstrates how to layer inked strips and continue an embossing pattern across multiple pieces for a cohesive, textured urban-style effect.

[BEKIJK DEZE STAP - 10:30](#)

11

STAP 11 VAN 14

Apply clear embossing powder with sparkle over the stamped images. Heat-set the embossing powder using a heat gun until the powder melts and creates a raised, glossy finish.

[BEKIJK DEZE STAP - 12:00](#)

12

STAP 12 VAN 14

Carefully cut out the stamped character and sentiment words using scissors. Take your time to cut neatly around the edges of the design.

[BEKIJK DEZE STAP - 14:30](#)

13

STAP 13 VAN 14

Mount the character and sentiment pieces onto black cardstock to create borders. Carefully cut around each mounted piece to complete the borders.

14

STAP 14 VAN 14

Attach the colourful striped character panel to the bottom right corner of the card front using foam pads to add dimension. Layer the sentiment words 'EAT', 'SLEEP' and 'REPEAT' using a combination of foam pads and flat adhesive.

TIPS UIT DE SHOW

- Mark embossing folders with tape on the top to identify which side creates the raised emboss.
- Textured cardstock helps hide any cracks that may occur during embossing.
- Use low-tack masking tape when securing strips together so it doesn't damage the card when removed.
