

Spotlight Heart Card with Embossed Girls

EEN PROJECT UIT ONZE LIVESHOW - FRIDAY LIVE LAUNCH - 3 MAART 2023

OVER DIT PROJECT

Create a stunning layered card featuring a three-tier spotlight design with romantic stamped hearts and an elegant heat-embossed silhouette of three girls. The card showcases depth through scattered pink and red heart backgrounds, with the focal image beautifully highlighted in the centre and finished with gold embossing and delicate yellow painted details. This impressive design combines stamping, heat embossing and watercolour techniques for a truly special handmade card.

- Layer the embossing powder generously to create a clear halo around your stamped image.
