HET EINDRESULTAAT

OVER DIT PROJECT

Create a stylish shop display card featuring a coral-toned handbag arrangement on a wood-effect background. This elegant piece showcases stamped and die-cut fashion accessories arranged to mimic a luxury boutique shelf display. The project uses layering, die-cutting, and stamping techniques to build dimensional embellishments with a sophisticated finish.

TIPS UIT DE SHOW

- Use fewer items on the shelf to mimic luxury retail displays, which often feature minimal, high-end presentation.
- This design works well for celebrating fashion lovers, milestone birthdays, or special occasions.
