

Layered Handbag and Sunglasses Card with Stencils

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT SHOW 28TH FEB 23 - 28 FEBRUARI 2023

OVER DIT PROJECT

Create an elegant fashion-themed card featuring a layered handbag and heart-shaped sunglasses in coordinating blue and pink tones. Using a three-stage stencil layering technique, you'll build depth and dimension by applying multiple ink colours through the same stencil in different positions. This sophisticated design combines two complementary elements on a single card front, perfect for fashion enthusiasts and special occasions.

STAP 7 VAN 8

Optional: Use the coordinating stamp to add outline detail to the handbag. Press firmly with dark ink to define the edges and add shine to the shoe detail on the bag.

STAP 8 VAN 8

Run the card through the 3D embossing folder to add texture and dimension to the handbag design. This will create pin-prick detail such as studs on the handbag.

TIPS UIT DE SHOW

- You can build multiple elements on one card by layering stencils for different design components.
- Wash your stencils under tap water between colour changes to avoid colour contamination and muddy results.
