

Embossed Black Card with Dry Brush Highlight

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 21 FEBRUARI 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a striking card by embossing black card stock with a botanical embossing folder, then dry brushing white acrylic paint over the raised details to highlight them. This technique produces a dramatic, dimensional effect with beautiful contrast between the matte black background and the highlighted embossed pattern.

STAP 3 VAN 4

STAP 4 VAN 4

Hold up the embossed black card and examine both sides to see how the embossed feather design looks from different angles. The raised design creates texture and dimension on the card.
