

## Kaart met vellum wrap en gestempelde tekst

EEN PROJECT UIT ONZE LIVESHOW - HOBBYMAKER TV - 6 APRIL 2026

### OVER DIT PROJECT

Create an elegant layered card featuring a wolf silhouette with a scenic wilderness background. The design uses torn vellum as a decorative wrap across the lower portion, combined with heat-embossed sentiment on a matted layer. This technique blends transparency and dimension for a sophisticated, nature-inspired finish in moody blues and greys.
