EEN PROJECT UIT ONZE LIVESHOW - SATURDAY LIVE - 11 FEBRUARI 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning handmade card featuring an embossed leaf design in shimmering rose gold tones on a sage green background. The finished piece is elegantly mounted onto a kraft card base and completed with a coordinating sentiment strip using washi tape. This project combines heat embossing techniques with simple layering to achieve a sophisticated, nature-inspired greeting card.

TIPS UIT DE SHOW

- Use plenty of glue when mounting embossed pieces as they can be thick and may lift.
- Washi tape sentiments add a nice finishing touch without needing additional stamping.
