HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant shaped card using the Timeless Stitch die with a decorative offset aperture design. This sophisticated card features delicate stitched detailing around a circular frame, embellished with gems and finished in neutral tones. The shaped design allows the card to stand upright, making it perfect for display on a desk or mantlepiece.

STAP 2 VAN 6

Position the decorative die-cut frame slightly off-centre on the card front to create visual interest. Place it so the aperture is offset rather than perfectly symmetrical. Secure the frame in place with adhesive.

TIPS UIT DE SHOW

- The exterior die creates a lovely shaped card that stands up proud on a desk.
- You can place gems all the way along the stitch detail for added sparkle and dimension.
- Offsetting the design creates variety compared to keeping everything symmetrical.
