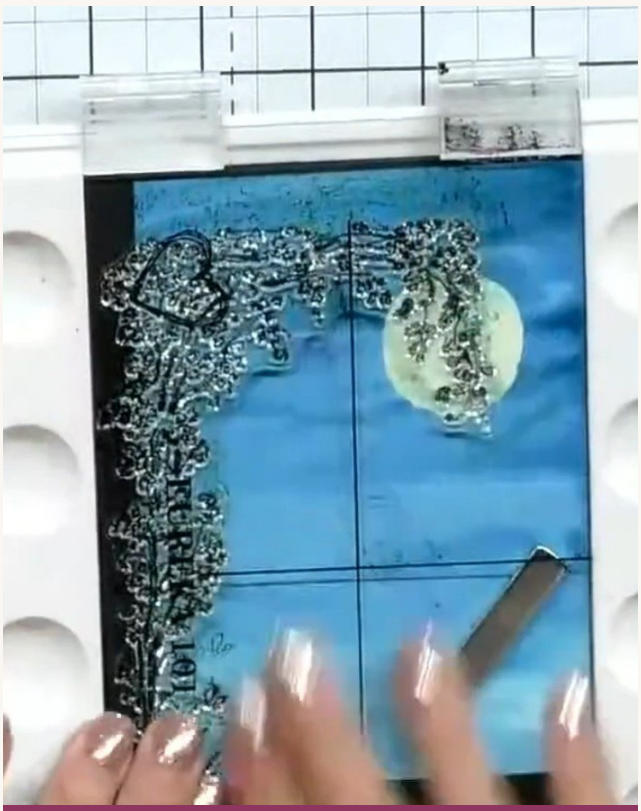
EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT SHOW 8TH FEB - 8 FEBRUARI 2023



HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning watercolour moonlit scene card with a glowing moon and layered landscape silhouettes. Using masking fluid to protect the moon, you'll build up atmospheric blue washes and stamp detailed tree and foliage images to create depth. The finished piece features a luminous moon against graduated blue skies with intricate black silhouettes creating a magical nighttime scene.

TIPS UIT DE SHOW

- The masking fluid is see-through, so you can still see the design underneath to match your colours.
- You can remove fingerprints and marks from your card using an eraser tool.
- Don't leave your brush sitting in water as it will damage the bristles.
