

Boo Buddies Freestanding Gnome Card in Christmas Colours

EEN PROJECT UIT ONZE LIVESHOW - THE THURSDAY DROP - 10 SEPTEMBER 2026

OVER DIT PROJECT

Create a delightful freestanding gnome card using layering dies in festive Christmas colours of red and green. This charming project demonstrates how Halloween-themed dies can be cleverly repurposed for the festive season. The technique involves die-cutting multiple layers and assembling them to create a dimensional, self-standing card perfect for Christmas greetings.

TIPS UIT DE SHOW
