

Clean and Simple Sketchy Church Stamp Card with Watercolour Wash

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT SHOW 7TH FEB - 7 FEBRUARI 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a charming minimalist card featuring a sketchy church or cabin scene with a delicate watercolour wash. The loose, artistic line work is stamped in burgundy or plum tones and enhanced with soft pink and purple watercolour, giving the piece an effortless, painterly quality. This forgiving technique celebrates imperfection, where loose colouring adds character and charm to your handmade greeting card.

STAP 3 VAN 6

Apply blue watercolour ink to the church image using a water brush, dragging the colour across the roof, walls and surrounding foliage areas. Allow the ink to blend and flow naturally around the stamped design.

Mount the finished stamped and coloured piece onto a card base if desired, or leave as a frameable artwork. Position the piece centrally and secure in place.

TIPS UIT DE SHOW

- The sketchy line work is forgiving, so imperfect watercolour application adds to the artistic charm.
- You can stamp multiple versions in different colours to create coordinating notecards and envelopes.
- These designs work beautifully as standalone frameable pieces.
