

Oriental Fan Valentine's Card with Stencilled Background and Watercoloured Character

EEN PROJECT UIT ONZE LIVESHOW - MONDAY MADNESS - 6 FEBRUARI 2023

OVER DIT PROJECT

Create a charming Valentine's card featuring an oriental-dressed character holding a glittery red heart, set against a stencilled fan pattern background in soft pinks and coral tones. The character is beautifully watercoloured in purples and blues, with the glitter heart adding dimensional depth and sparkle. This romantic design combines Eastern elegance with traditional Valentine's themes using stencilling, watercolouring and dimensional embellishments.

STAP VOOR STAP

1

STAP 1 VAN 16

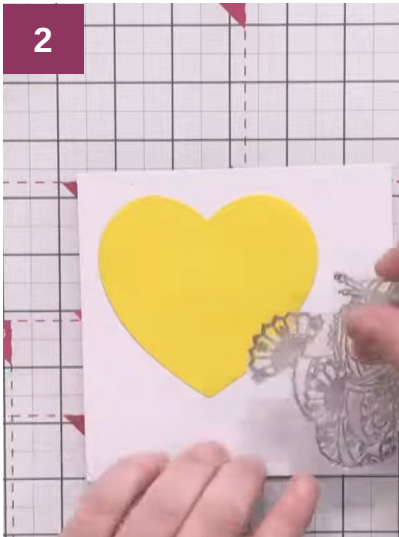

Position your decorative stamp elements on the yellow heart to plan your design layout before adhering them permanently.

[BEKIJK DEZE STAP - 2:30](#)

2

STAP 2 VAN 16

Die cut a larger heart shape from scrap paper to use as a mask. Position it roughly where you want your character to hold it on the card front.

[BEKIJK DEZE STAP - 2:45](#)

3

STAP 3 VAN 16

Position the yellow paper heart mask over the fan stencil pattern on your white card front. Secure it lightly in place using low-tack tape or a small amount of repositionable adhesive.

[BEKIJK DEZE STAP - 4:15](#)

Stel Toni op onze website je vraag over elk project, product of elke techniek uit de show.

STAP 4 VAN 16

Position the oriental fan stencil on your card and secure it in place with magnets at the corners to prevent it from moving whilst you work.

[BEKIJK DEZE STAP - 4:30](#)

STAP 5 VAN 16

Pick up redwood ink with a blending brush and use circular motions to apply colour through the Fabulous Fans stencil. Build up the pattern gradually with light pressure, working over the yellow fan shapes.

[BEKIJK DEZE STAP - 4:45](#)

STAP 6 VAN 16

Apply the ink pad over the fan stencil, working all the way around the design. Use extra pressure over the heart mask area to ensure it doesn't move whilst stencilling.

[BEKIJK DEZE STAP - 5:15](#)

7

STAP 7 VAN 16

Remove the stencil from the card. Use the excess ink remaining on your brush to gently soften the edges around the yellow heart shape by brushing outwards.

BEKIJK DEZE STAP - 6:00

8

STAP 8 VAN 16

Stamp your sentiment (such as 'With Love') in the bottom left corner of the card front using midnight black ink and a stamping press.

BEKIJK DEZE STAP - 7:30

9

STAP 9 VAN 16

Assemble your card by adhering the decorated front panel onto the red top-folding card blank using tape runner and wet glue for secure attachment.

BEKIJK DEZE STAP - 8:45

10

STAP 10 VAN 16

Stamp the oriental character with the fan onto white card using midnight black ink from Stamps By Me.

[BEKIJK DEZE STAP - 11:15](#)

11

STAP 11 VAN 16

Apply a pale purple watercolour wash to the character's outfit using a water brush. Build up depth by adding darker purple to the shadowed areas whilst the wash is still wet.

[BEKIJK DEZE STAP - 12:30](#)

12

STAP 12 VAN 16

Add blue watercolour to the remaining garment areas. Apply peachy tones to the face for the complexion, then add red to the lips.

[BEKIJK DEZE STAP - 14:00](#)

13

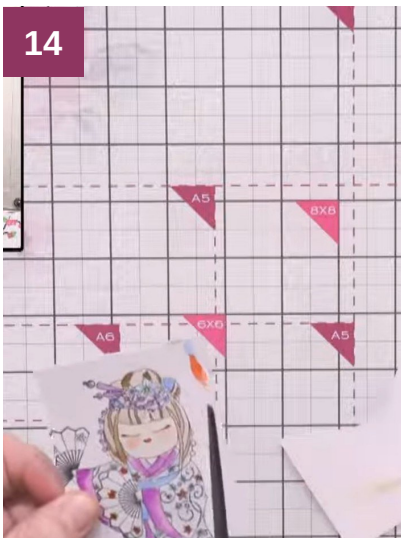

STAP 13 VAN 16

Dry the watercoloured character using a heat gun, holding it above the stamped image until the watercolour is completely dry.

[BEKIJK DEZE STAP - 18:45](#)

14

STAP 14 VAN 16

Carefully fussy cut around the coloured character using scissors, keeping close to the image edges. Cut through the hand slits to allow the character to hold the heart later.

[BEKIJK DEZE STAP - 19:30](#)

15

STAP 15 VAN 16

Shape the character stamp by gently curling the body backwards and bending the arm upwards to create a three-dimensional effect.

[BEKIJK DEZE STAP - 21:15](#)

16

STAP 16 VAN 16

Use a pokey tool to attach foam pads to the back of the white character pieces and the glitter heart die cut.

[BEKIJK DEZE STAP - 21:45](#)

TIPS UIT DE SHOW

- Use a heart-shaped mask to protect the area where your character will hold the heart, creating a clean focal point.
- You can colour the character with watercolours, pencil crayons or felt markers depending on your preference and skill level.
- If watercolour lines look too harsh, use a wet brush to blend and soften the edges.
