EEN PROJECT UIT ONZE LIVESHOW - IMALA COLLECTION 25 - 1 FEBRUARI 2023

OVER DIT PROJECT

Create an elegant Paris scene card featuring a silhouetted French madame against the iconic Eiffel Tower skyline. This sophisticated black and white design uses a masking technique to layer stamps, building up a complete Parisian vista with architectural details and romantic atmosphere. The finished piece has an artistic, sketch-like quality perfect for special occasions.

STAP VOOR STAP

1

STAP 1 VAN 7

**STAP 4 VAN 7**

Position the Paris skyline stamp over the masked figure area and stamp it onto the white card, ensuring the figure remains protected by the masking tape. The Eiffel Tower and cityscape should appear behind the figure.

[BEKIJK DEZE STAP - 29:30](#)**STAP 5 VAN 7**

Carefully remove the mask from the stamped image to reveal the figure positioned in front of the Paris skyline scene.

Optionally, add colour to your stamped Paris scene using alcohol markers or watercolour. Alternatively, leave the image in monochrome for an artistic sketch effect.

STAP 7 VAN 7

Add a sentiment stamp to complete the card. Position the stamp in the lower left corner of the scene, such as 'Daydream' or 'Make a Wish', to finish your Paris skyline card.

TIPS UIT DE SHOW

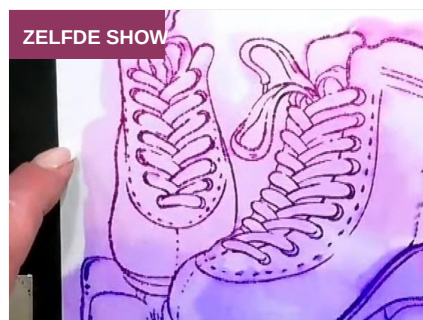

- Keep the mask very sketch-like without adding facial details; this maintains the artistic, illustrative quality of the design.
- Apply firm, even pressure when stamping over the mask to ensure the skyline stamps crisply without the mask shifting.
- The masking technique works perfectly for building complete scenes with just one stamp set.
