

Rope and Knot Background Card with Die-Cut Circles

EEN PROJECT UIT ONZE LIVESHOW - MONDAY MADNESS - 30 JANUARI 2023

OVER DIT PROJECT

Create a striking nautical-themed card featuring a rope and knot background stamped in earthy tones. Three die-cut circles in rich teal glitter cardstock are layered over the design, with the bottom circle framing a charming coloured fish character. The finished piece combines stamping, die-cutting and dimensional layering for a card full of maritime charm.

2

STAP 2 VAN 11

Remove the rope and knot stamps from the carrier sheet and arrange them in a single column down one side of your white card panel, alternating between single and double knots to create a decorative border pattern.

4

STAP 4 VAN 11

Use a large circle die to cut three circles from your stamped card. Position them at the top, middle and bottom to create a traffic light effect.

5

STAP 5 VAN 11

Colour each rope design using oil coloured pencils in bright colours. Use a different colour for each rope section and blend the colours together to create a pastel effect.

6

STAP 6 VAN 11

Use a grey pencil to add shading underneath each coloured rope section. This creates a shadow effect that lifts the ropes off the page and adds dimension to your design.

7

STAP 7 VAN 11

Mount your stamped and coloured DL card onto a slightly larger piece of green glitter card using a tape runner or glue.

TIPS UIT DE SHOW

- You can use any nesting dies you have in your stash—squares, hexagons, hearts—instead of circles to create different effects.
- The oil coloured pencils blend very smoothly and easily, making them ideal for creating pastel effects.
- You don't need to colour every single rope with shadow; just adding it occasionally still creates a nice effect.
