

Embossed Floral Card with White Ink and Sparkle Powder

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 23 MAART 2026

OVER DIT PROJECT

Create an elegant card featuring dimensional floral imagery with a vintage aesthetic. Using a 3D embossing folder, white embossing powder, and optional sparkle accents, you'll produce a sophisticated design with soft pink and cream tones against a textured background. The 'Dream Big Darling' sentiment adds an inspirational finishing touch to this beautiful handmade card.

TIPS UIT DE SHOW

- Always use an anti-static bag before heat embossing to remove moisture and prevent unwanted sparkle floating on your card.
- Embossing powder will only stick to pigment ink pads and sticky embossing inks, not dye-based inks.
- The emboss is as beautiful as the deboss on these high-definition folders, so both sides of the design are worth showcasing.
