

Double Tower Pop-Out Card with Sprayed Gradient Background

EEN PROJECT UIT ONZE LIVESHOW - MONDAY MADNESS - 16 JANUARI 2023

OVER DIT PROJECT

Create a stunning dimensional pop-out card that folds flat to fit a 5x7 envelope. This eye-catching design features a vibrant blue-to-yellow gradient background created with ink sprays, decorative stamped panels on either side, and a cheerful fussy-cut character mounted on foam pads for added dimension. The card combines spray techniques, stamping, and layering to produce a professional finish perfect for birthdays or special occasions.

STAP VOOR STAP

1

STAP 1 VAN 16

Cut a piece of linen textured card to 7 by 9 inches.

[BEKIJK DEZE STAP - 2:30](#)

2

STAP 2 VAN 16

Spray yellow ink onto the lower section of the card. Then spray blue ink from the top, blending downwards to create a gradient effect that transitions from blue at the top through to yellow at the bottom.

[BEKIJK DEZE STAP - 3:00](#)

3

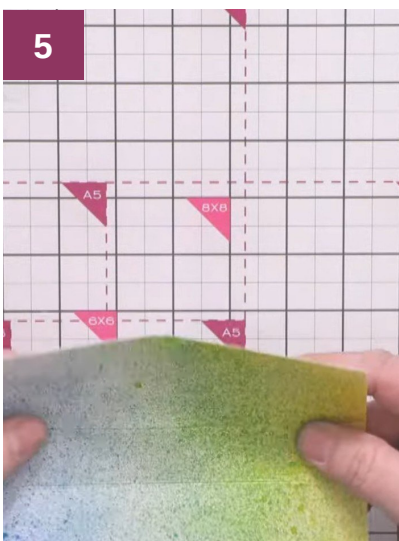

STAP 3 VAN 16

Use a heat gun to dry the sprayed inks on the card, moving it over the surface to set the colours completely.

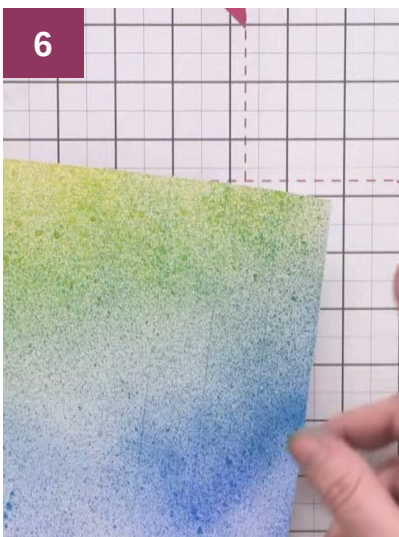

[BEKIJK DEZE STAP - 3:45](#)

**STAP 4 VAN 16**

Use a scoring tool to score the gradient card at 1, 2, and 3 inches on one side, then turn it around and score at 6, 7, and 8 inches on the other side.

[BEKIJK DEZE STAP - 5:00](#)**STAP 5 VAN 16**

Crease all score lines in both directions using a bone folder. Fold the card back and forth along each scored line to ensure smooth, easy folding for the pop-out mechanism.

[BEKIJK DEZE STAP - 6:00](#)**STAP 6 VAN 16**

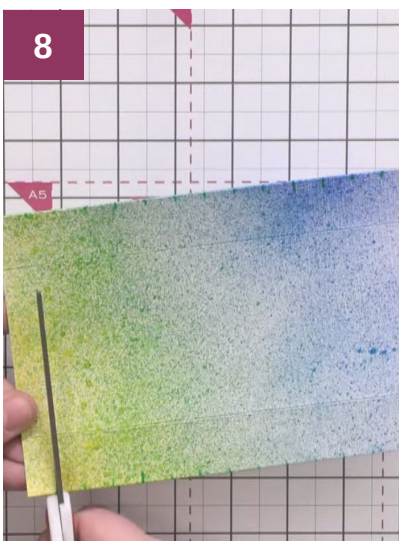

Fold the scored sections to create the tower effect, alternating which strips fold upwards and downwards on each side of the card.

[BEKIJK DEZE STAP - 6:30](#)

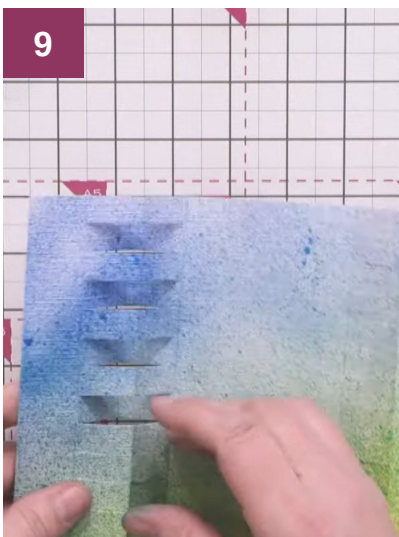

STAP 7 VAN 16

Using a pencil and the scoring mat as a ruler, mark half-inch increments along the length of the glitter card piece.

[BEKIJK DEZE STAP - 7:00](#)

STAP 8 VAN 16

Cut vertical slits down to the first score line at each half-inch mark using scissors. Make sure the slits are evenly spaced along the bottom edge of the gradient panel.

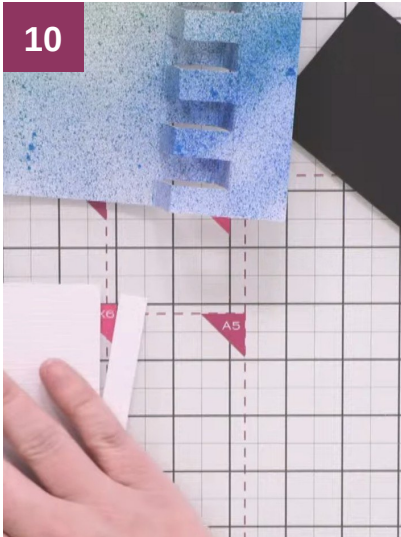

[BEKIJK DEZE STAP - 8:15](#)

STAP 9 VAN 16

Push alternate slits inward to create the dimensional tower pattern. Use a bone folder to crease each fold firmly. Work down the row, pushing one slit down and leaving the next, to form the stepped tower effect.

[BEKIJK DEZE STAP - 9:45](#)

10

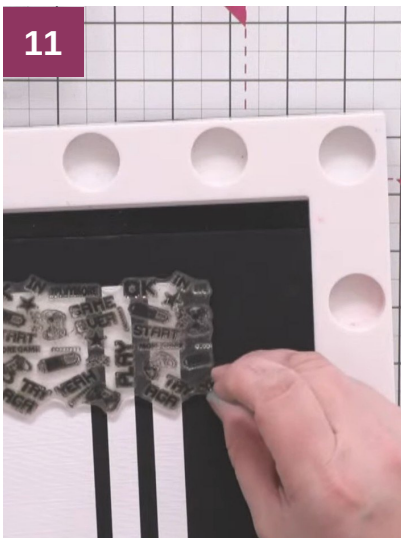

STAP 10 VAN 16

Cut decorative panels from your chosen patterned paper measuring $6\frac{1}{2}$ by $2\frac{1}{2}$ inches for the centre panel and $\frac{1}{2}$ by $6\frac{1}{2}$ inches for the outer strips. Cut matching pieces from black cardstock.

[BEKIJK DEZE STAP - 12:00](#)

11

STAP 11 VAN 16

Stamp the gaming-themed background images onto the decorative panels using black hybrid ink. Position the stamps to create a continuous, repeating pattern across the panels.

[BEKIJK DEZE STAP - 12:45](#)

12

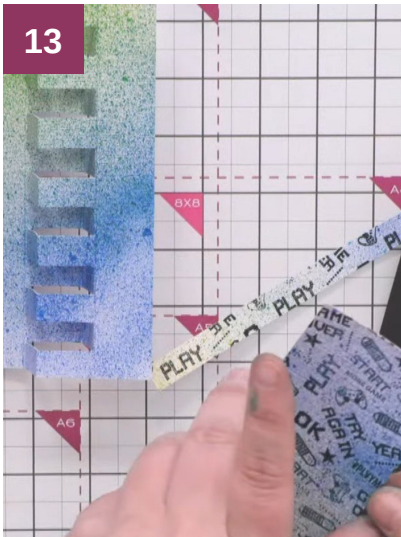

STAP 12 VAN 16

Spray the stamped panels with yellow Izink spray on the lower section and blue Izink spray on the upper section, creating a gradient opposite to the card base.

[BEKIJK DEZE STAP - 15:15](#)

13

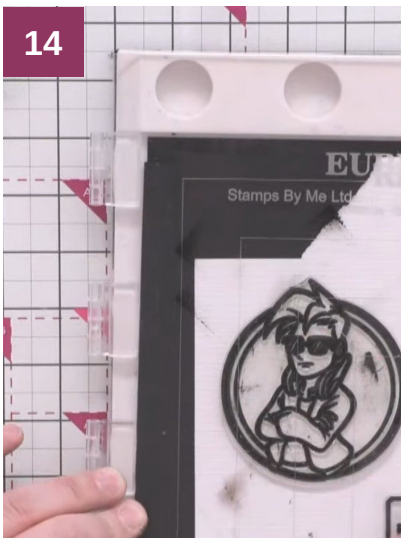

STAP 13 VAN 16

Apply wet glue to the back of each matted decorative panel and adhere them to the tower card base. Ensure the panels are centred and pressed down firmly for a secure bond.

[BEKIJK DEZE STAP - 17:00](#)

14

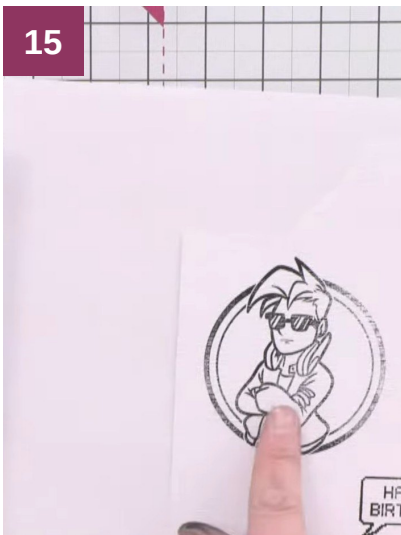

STAP 14 VAN 16

Stamp the character image (Crash) onto white card using black ink. Fussy cut around the character to remove the background.

[BEKIJK DEZE STAP - 19:30](#)

15

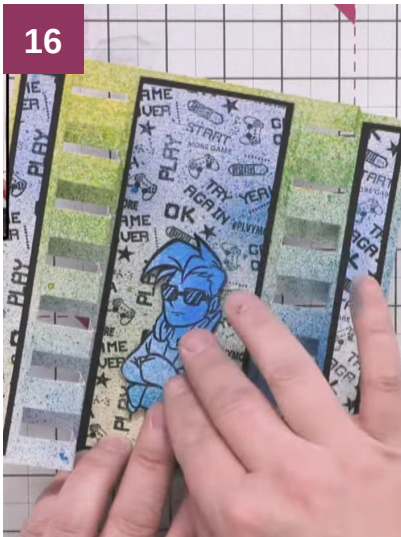

STAP 15 VAN 16

Position the fussy-cut character image on the card front. Consider placement carefully to ensure it stands out against the gradient background and complements the 'Happy Birthday' sentiment below.

[BEKIJK DEZE STAP - 20:45](#)

16

STAP 16 VAN 16

Attach foam pads to the back of the blue character and adhere it to the front of the card, positioning it centrally on the striped panel so it pops forward.

[BEKIJK DEZE STAP - 24:45](#)

TIPS UIT DE SHOW

- You can fold the tower effect either direction and it will still work postably.
- If some cuts are slightly off, it won't ruin the effect as the card will still work.
- You don't need to buy every colour of ink spray; two colours can create versatile effects through layering and positioning.
