

Easel Card with Watercolour Wash Background and Stamped Bunnies

EEN PROJECT UIT ONZE LIVESHOW - CREATE TOGETHER CLUB - 10 JANUARI 2023

OVER DIT PROJECT

Create a charming 8x8 inch easel card featuring a beautiful watercolour-washed background in soft pinks and blues, adorned with stamped bunny family images. This dimensional greeting card stands upright for display and folds flat for posting, combining artistic ink blending techniques with delicate hand-painted details. The finished piece includes a sentiment panel and decorative elements that make it perfect for special occasions.

STAP VOOR STAP

1

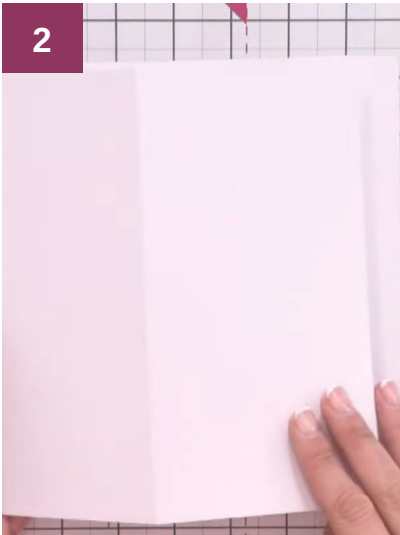

STAP 1 VAN 16

Take an 8x8 inch card blank and score down the centre of the front panel to create the easel fold. Use a scoring board to ensure a crisp, straight fold line.

[BEKIJK DEZE STAP - 12:30](#)

2

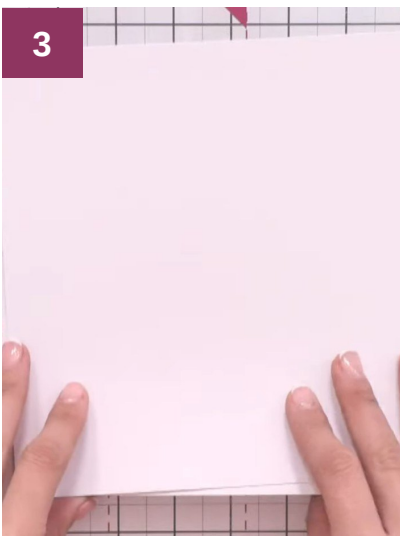

STAP 2 VAN 16

Cut a second piece of white card to the same size as your card base. This will be adhered to the scored card to create the easel stand.

[BEKIJK DEZE STAP - 12:45](#)

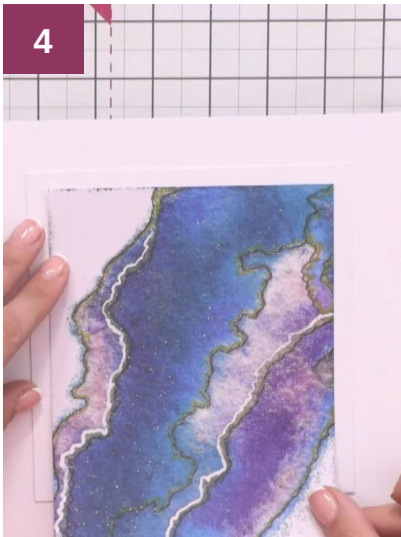

3

STAP 3 VAN 16

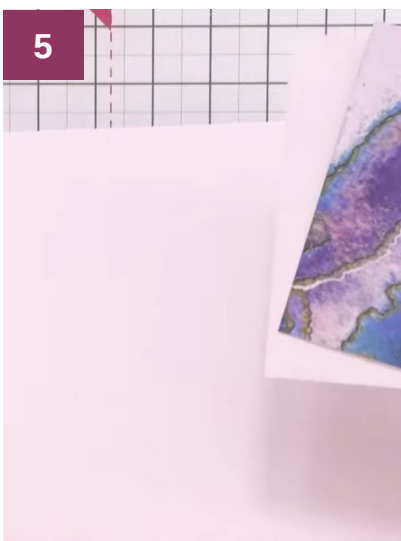

Take a piece of white card stock to use as your base layer for the watercolour wash background.

[BEKIJK DEZE STAP - 13:00](#)

STAP 4 VAN 16

Trim a piece of the blue and purple watercolour patterned paper to fit within the aperture on your white card mat.

[BEKIJK DEZE STAP - 14:30](#)

STAP 5 VAN 16

Apply a light watercolour wash to the back of the patterned paper piece using water and ink. Use gentle strokes to create a subtle colour effect on the reverse side of the paper.

[BEKIJK DEZE STAP - 15:15](#)

STAP 6 VAN 16

Create a coloured base layer by dropping pink ink onto your craft mat, spraying with water, and swishing with your finger to blend and avoid harsh lines.

[BEKIJK DEZE STAP - 15:45](#)

7

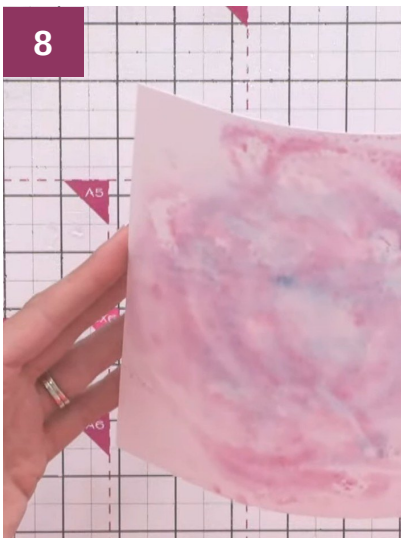

STAP 7 VAN 16

Add a second colour (blue) to the same base layer. Spray with water and blend the colours together using your finger to create a watercolour wash effect.

[BEKIJK DEZE STAP - 16:45](#)

8

STAP 8 VAN 16

Add ink splats around the edges of the pink watercoloured base layer using a brush or spattering tool to create dimension and texture.

[BEKIJK DEZE STAP - 17:30](#)

9

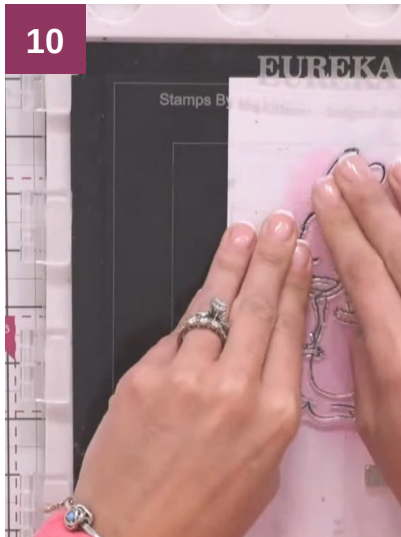

STAP 9 VAN 16

Use a heat gun to thoroughly dry the pink watercolour wash on the base layer panel. Hold the heat gun above the panel and move it across the surface until the watercolour is completely dry.

[BEKIJK DEZE STAP - 19:30](#)

10

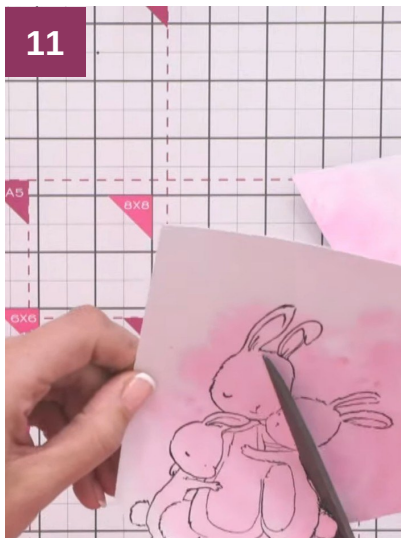

STAP 10 VAN 16

Stamp the bunny family image onto the dried watercolour background using pink ink. Position the stamp centrally on the coloured base layer and press firmly to transfer the image.

[BEKIJK DEZE STAP - 21:30](#)

11

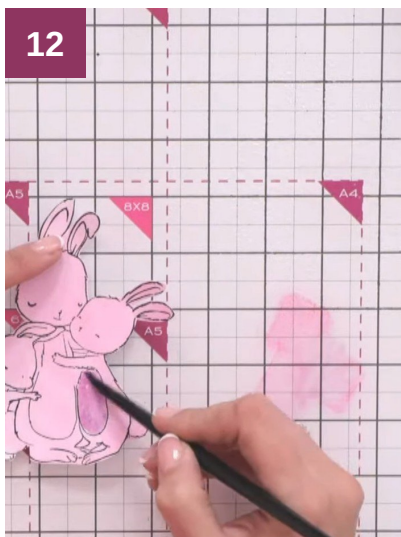

STAP 11 VAN 16

Fussy cut around the stamped bunny image carefully using scissors. Work gradually, moving the card rather than the scissors as you cut.

[BEKIJK DEZE STAP - 23:30](#)

12

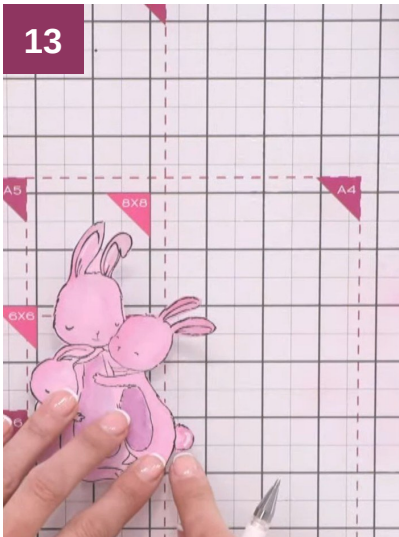

STAP 12 VAN 16

Add shading and detail to the bunny tummies using a brush with pink ink mixed with water. Build up the colour gradually to create depth and dimension on the pink areas.

[BEKIJK DEZE STAP - 25:30](#)

13

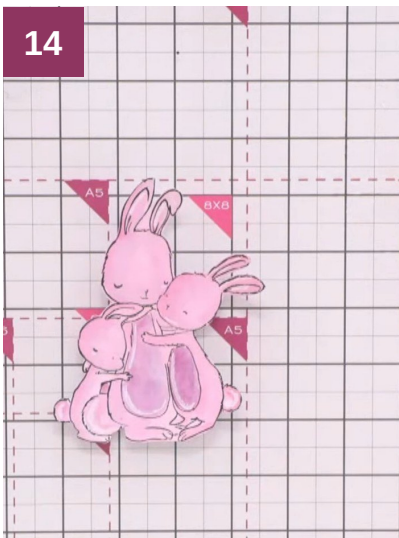

STAP 13 VAN 16

Use a white gel pen to add highlights to the bunnies. Focus on the ears, tail, and tummy areas where light would naturally catch to create dimension.

[BEKIJK DEZE STAP - 28:00](#)

14

STAP 14 VAN 16

Apply adhesive to the back of the pink patterned paper piece and attach it to the white card mat, ensuring it is centred and aligned properly.

[BEKIJK DEZE STAP - 30:45](#)

15

STAP 15 VAN 16

Apply glue to the back of the fussy-cut pink bunny topper and adhere it onto the patterned paper mat, positioning it carefully.

[BEKIJK DEZE STAP - 33:45](#)

16

STAP 16 VAN 16

Apply glue to the bottom section only of your easel card base. This will secure the card in its easel position when the stopper is in place.

BEKIJK DEZE STAP - 34:00

TIPS UIT DE SHOW

- Move the card, not the scissors, when fussy cutting for better control.
- If you're not confident with fussy cutting, you don't have to cut into all the intricate detail—go in a little and back out.
- Create your own dimensional pads from spare card stock in your bits box by cutting them into similar sizes and gluing them together.
