Watercolour-Effect Painted Dress Card with Two-Part Lamination Stamps

EEN PROJECT UIT ONZE LIVESHOW - 811138 - 1 JANUARI 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning card featuring a lady in an elegant painted dress using a two-part lamination stamp system. The solid stamp is coloured with vibrant pink and coral inks, then water-sprayed to create a beautiful watercolour effect, before the outline stamp adds definition and detail. This technique produces a professional, artistic finish with a fashionable silhouette framed by bold black borders on a kraft card base.
