EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT - 16 NOVEMBER 2022

HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant Christmas card featuring a fussy-cut robin from patterned paper. This beginner-friendly design combines delicate floral elements with a charming robin motif in soft pinks, greens and newsprint textures. The main technique is fussy cutting, where you carefully cut around printed images to create beautiful layered embellishments.
