

Wish Die-Cut Card with Hand-Drawn Details

EEN PROJECT UIT ONZE LIVESHOW - BRAND SHOWCASE - 4 NOVEMBER 2022

OVER DIT PROJECT

Create a contemporary die-cut card featuring the word 'wish' embellished with colourful patterned paper strips and hand-drawn decorative details in black pen. Add dimensional black die-cut stars and finish with a simple hand-drawn border for a fresh, modern design perfect for teens or anyone who loves edgy, artistic cards. The main techniques include die-cutting, layering patterned papers, and adding hand-drawn embellishments with fine-line pens.

TIPS UIT DE SHOW

- Don't overthink where you place the pen details; just work intuitively around the edges.
- The white gel pen adds dimension and makes the design pop against darker backgrounds.
- This design works well for multiple occasions and age groups.
