

Lined A5 Envelope Using Smaller Coordinating Paper

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 2 FEBRUARI 2026

HET EINDRESULTAAT

OVER DIT PROJECT

Create a beautifully lined A5 envelope using the clever technique of making a smaller envelope from coordinating patterned paper. This project features soft pink and floral designs, combining precise measuring and trimming to achieve a professional finish. The result is a luxury envelope with a decorative liner that's as stunning on the inside as it is on the outside.
