

Make It Happen aquarelkaart met elfje

EEN PROJECT UIT ONZE LIVESHOW - IMALA COLLECTION 23 - 2 NOVEMBER 2022

HET EINDRESULTAAT

OVER DIT PROJECT

Create a delicate fairy card featuring the Make It Happen stamp with loose watercolour painting in soft pinks, purples, and greens. This ethereal design uses spray and water effects to build dreamy, layered colour that gives your fairy figure a magical, floating quality. The technique creates beautiful soft washes and splattered details for an enchanting finish.

STAP 1 VAN 8

**STAP 2 VAN 8**

Position the Make It Happen stamp at the bottom of the watercoloured cardstock, offsetting it so the bauble element doesn't stamp onto the card.

[BEKIJK DEZE STAP - 23:30](#)**STAP 3 VAN 8**

Use Versafine ink to stamp the Make It Happen fairy image clearly onto your prepared watercolour background. Press firmly to ensure a crisp impression.

Apply a light wash of watercolour to the stamped image using moist watercolours. Layer the colours gradually to build up depth and dimension on the fairy design.

TIPS UIT DE SHOW

- You don't need to be a confident artist as the stamp lines guide your colouring.
- You can use alcohol markers instead of watercolours if you prefer.
- The stamp is versatile—the same image can become different characters depending on how you colour and interpret it.
