

Coloured Floral Bouquet with Sparkle Accents

EEN PROJECT UIT ONZE LIVESHOW - CREATE TOGETHER CLUB - 2 NOVEMBER 2022

OVER DIT PROJECT

Create stunning floral bouquet cards with selective colour and sparkle. Stamp elegant rose arrangements within geometric frames, then colour individual blooms in pink and orange whilst keeping some elements white for contrast. Add green highlights to leaves and finish with sparkle pen accents for a touch of glamour.

STAP VOOR STAP

1

STAP 1 VAN 5

Using a sparkle pen, add sparkle details to the paper bags in the floral bouquet design. You can colour the bags or leave them white as preferred.

2

STAP 2 VAN 5

Using a pink sparkle pen, colour three of the roses on the first card. Select individual blooms to colour rather than colouring all of them.

On the second card, colour three of the roses in pink using the sparkle pen.

STAP 4 VAN 5

Add green sparkle pen colour to the leaves on both cards. Highlight some of the leaf details and open spaces rather than colouring every leaf.

STAP 5 VAN 5

Step back and compare your two finished cards. You now have one card with pink roses and grey leaves, and another with orange roses and grey leaves, each with their own distinct colour scheme.

TIPS UIT DE SHOW

- You don't have to colour all the elements; picking out just a few roses and leaves creates a more elegant effect.
- Consider alternative colour schemes such as monochromatic greys, sepia tones, or vintage-inspired palettes.
- If you stamped the floral bouquets in a water-based colour and then bled the design out slightly, it would create an incredibly beautiful watercolour effect.
