EEN PROJECT UIT ONZE LIVESHOW - CREATE TOGETHER CLUB - 2 NOVEMBER 2022

OVER DIT PROJECT

Create a striking card featuring layered banner-shaped panels cut from floral patterned paper in soft pink tones. The banners are arranged at varying heights to create visual depth and dimension, topped with a vertical 'THANK YOU' sentiment. This elegant design combines simple die-cutting techniques with careful layering to produce a sophisticated handmade card.

STAP 4 VAN 8

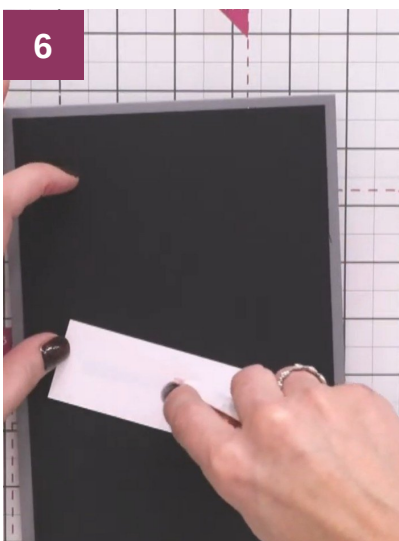

Cut a third banner tail from the floral paper, making it a different length from the first two so you have three banners of varying heights.

STAP 5 VAN 8

Layer a piece of black cardstock as your base. Adhere your banner pieces on top at different heights using foam pads and single pads to create dimension.

STAP 6 VAN 8

Add your sentiment to the white panel. You can either stamp a 'Thank You' message or use a washi tape sentiment strip, positioning it centrally on the panel.

STAP 7 VAN 8

Add pearl embellishments sparingly into the floral bouquets on your card. Place them carefully to enhance the design without overwhelming it.

STAP 8 VAN 8

Add gem embellishments around the sentiment area in groups of three for visual balance. Position the gems to frame the sentiment and create interest across the card front.
