

Oriental Pagoda Scene Card with Layered Elements

EEN PROJECT UIT ONZE LIVESHOW - MONDAY MADNESS - 24 OKTOBER 2022

OVER DIT PROJECT

Create an elegant Oriental-inspired card featuring a layered pagoda scene against a delicate marble-effect background. The design combines a gold die-cut pagoda silhouette with a white circular moon, gold and black matting, and an inspirational sentiment reading 'Be Yourself and You Can Be Anything'. This sophisticated card uses die-cutting, layering and foam mounting techniques to achieve beautiful dimensional depth.
