

Snelle tweede kaart met hartvormig venster

EEN PROJECT UIT ONZE LIVESHOW - FUNKY TUESDAY - 18 OKTOBER 2022

OVER DIT PROJECT

Create an elegant Christmas card featuring a heart aperture with a festive robin image. This quick variation uses embossed panels in deep navy blue with white leaf details, complemented by red cardstock. The heart cut from the embossed panel is reused as a decorative element, with 'noel' sentiment and delicate white skeleton leaves completing the design.
