

Inky Background Slimline Card with Layered Country View Scene

EEN PROJECT UIT ONZE LIVESHOW - FUNKY TUESDAY - 18 OKTOBER 2022

OVER DIT PROJECT

Create a stunning tall slimline card featuring a dramatic inky background in rich indigo and surfboard blue tones. The design is built up with layers including a Nordic knitted pattern stencil and a charming country view scene die-cut from three separate pieces to add beautiful depth and dimension. This project combines wet cardstock inking techniques with careful layering to produce an eye-catching handmade card.

Uit de show: Funky Tuesday

Getoond: 18 oktober 2022

Het project begint: 36:45 na het begin van de show

In deze handleiding: 16 stappen, allemaal met foto

STAP VOOR STAP

STAP 1 VAN 16

Cut a piece of white cardstock to slimline card size to create your background panel.

[BEKIJK DEZE STAP - 37:00](#)

STAP 2 VAN 16

Spritz the white cardstock lightly with water using a spray bottle to prepare the surface for ink application.

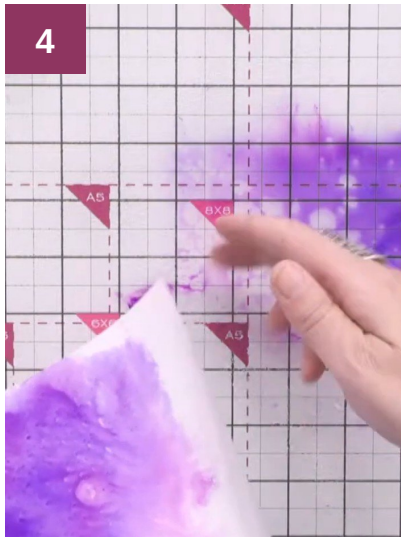

[BEKIJK DEZE STAP - 38:15](#)

STAP 3 VAN 16

Dip the wet cardstock into the indigo ink pad, allowing the purple colour to spread and blend across the surface.

[BEKIJK DEZE STAP - 38:30](#)

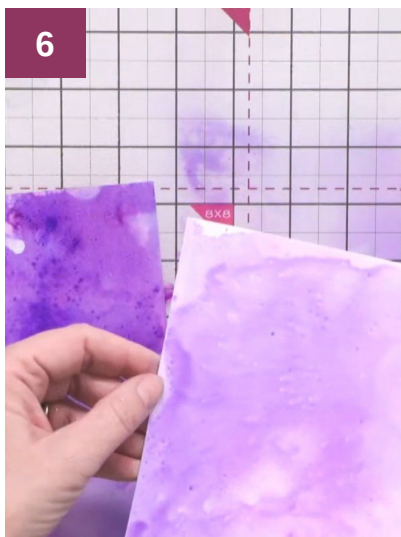

STAP 4 VAN 16

Dip the same piece of white cardstock into the surfboard ink pad to add a secondary colour layer that blends with the indigo, creating a purple ombré effect.

[BEKIJK DEZE STAP - 39:00](#)

STAP 5 VAN 16

Spritz confetti shimmer ink onto the wet purple background to add sparkle and further colour variation. The shimmer will create a shimmering effect across the watercolour background.

[BEKIJK DEZE STAP - 39:30](#)

STAP 6 VAN 16

Allow the purple inked background to dry completely. You can use a heat gun to speed up the drying process if you want surface dryness before adding more layers.

[BEKIJK DEZE STAP - 40:00](#)

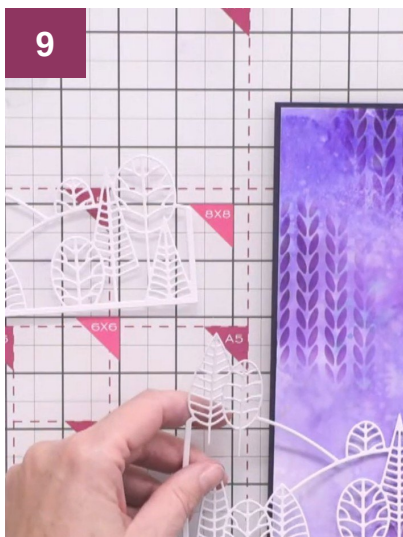

STAP 7 VAN 16

Mount the inky background panel with the knitted pattern stencil design onto a dark purple card mat using a blending tool to smooth it down.

[BEKIJK DEZE STAP - 43:45](#)

STAP 8 VAN 16

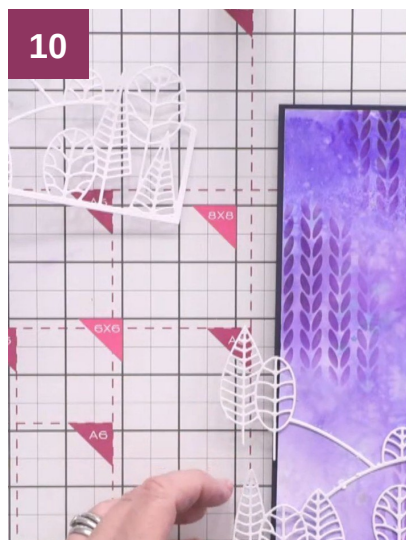

Position the Nordic knitted pattern stencil over the purple inky background. Using a brush, apply indigo ink through the stencil in three locations across the card for visual balance.

[BEKIJK DEZE STAP - 44:00](#)

STAP 9 VAN 16

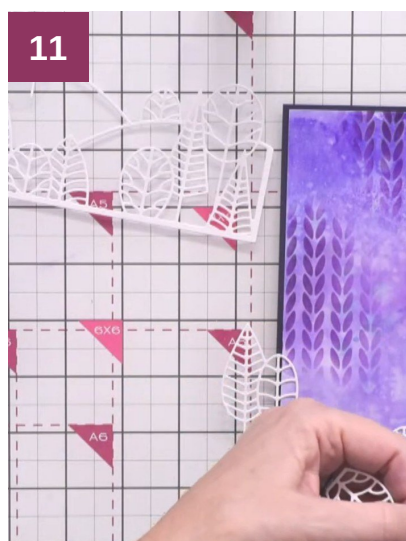

Die-cut the country view die from white cardstock three times to create layered hills for your scene.

[BEKIJK DEZE STAP - 46:15](#)

STAP 10 VAN 16

Carefully trim away the upper portion of the white die-cut leaf scene, keeping only the bottom hill section with the lower leaves intact.

[BEKIJK DEZE STAP - 48:00](#)

STAP 11 VAN 16

Cut away sections from the second white die-cut to create a middle hill layer. Trim the bottom portion and keep the upward slope to connect with the first layer.

[BEKIJK DEZE STAP - 49:30](#)

STAP 12 VAN 16

Trim the third die-cut piece to show only the top trees, cutting away the lower portion. This creates a layered scene that builds upwards across the card.

[BEKIJK DEZE STAP - 51:30](#)

STAP 13 VAN 16

Glue each layer of the country view scene onto the inky background card, stacking the die-cut houses and trees to create depth. Position the black house die-cuts among the white outline trees to build up the layered scene.

[BEKIJK DEZE STAP - 52:45](#)

STAP 14 VAN 16

Die-cut a festive word such as 'Joy' from white cardstock using the Festive Word Dies. Position and adhere the word at the top of the right-hand card panel.

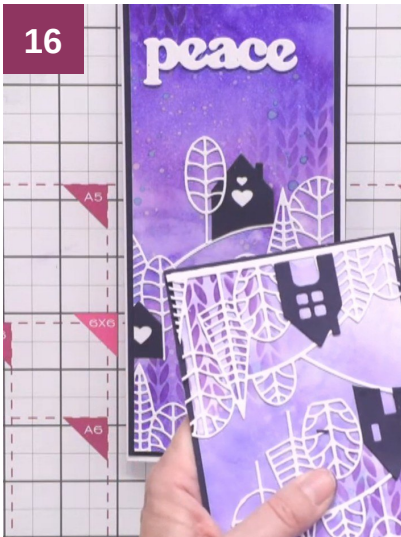

[BEKIJK DEZE STAP - 55:00](#)

STAP 15 VAN 16

Add an enamel dot on top of the festive word die-cut to complete the card. Position the dot centrally for a polished finishing touch.

[BEKIJK DEZE STAP - 55:45](#)

16

STAP 16 VAN 16

Trim away any die-cut elements that overhang the edges of your slimline card using scissors to create a clean, professional finish.

[BEKIJK DEZE STAP - 57:00](#)

TIPS UIT DE SHOW

- When working with juicy ink pads, use very little ink as it will spread significantly when water is introduced.
- Work quickly while inks are wet to allow confetti shimmer to blend into the background; work on dry areas for more defined splatters.
- Add the die-cut scene to the card before adhering it to the mat so you can trim the edges cleanly without damaging the background.
