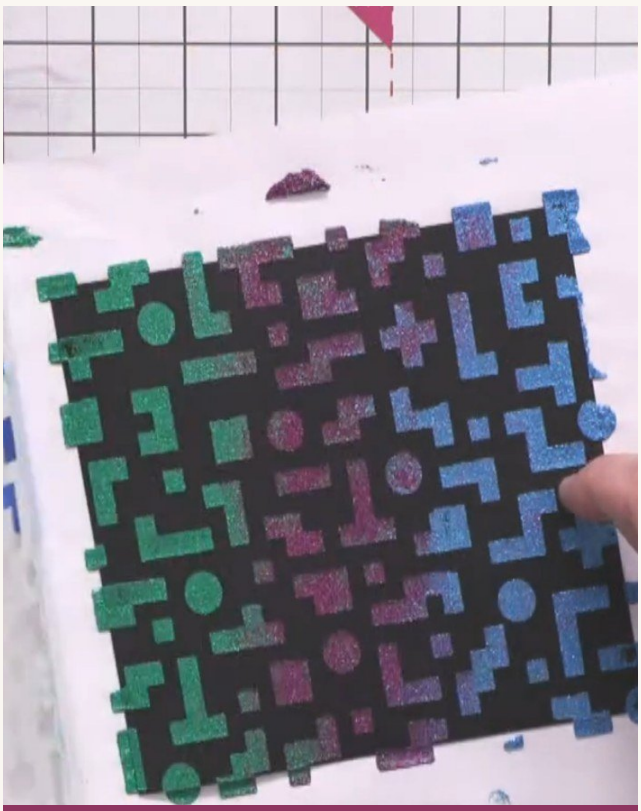
Textured Pixel Pattern Stencil Card with Gradient Paint

EEN PROJECT UIT ONZE LIVESHOW - MONDAY MADNESS - 17 OKTOBER 2022



HET EINDRESULTAAT

OVER DIT PROJECT

Create a striking card featuring a retro pixel block design with a bold, shimmering textured background. Coloured texture paste is dragged through a stencil to create crisp geometric shapes in graduating tones of blue, purple and green. The paste is heat-set to produce a dimensional, eye-catching finish with clean edges.

Uit de show: Monday Madness
Getoond: 17 oktober 2022
Het project begint: 3:45 na het begin van de show
In deze handleiding: 9 stappen, allemaal met foto

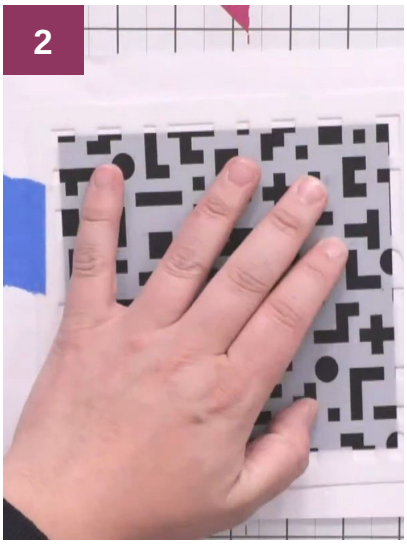
STAP VOOR STAP

STAP 1 VAN 9

Place a piece of scrap paper on your work surface to protect it.
Position a square of black card (just under 16cm) on top of the scrap paper.

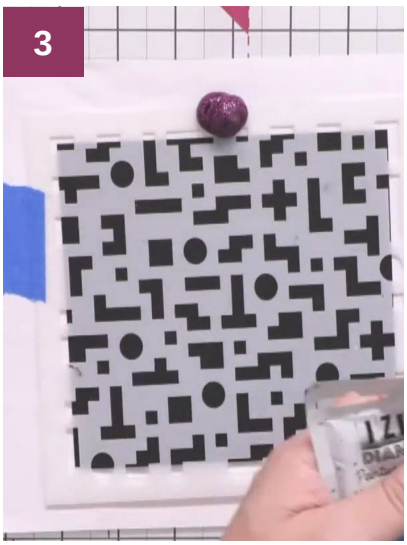
BEKIJK DEZE STAP - 4:00



STAP 2 VAN 9

Position the pixel pattern stencil over your white card base and secure it in place using blue masking tape on both sides, ensuring the stencil is flat and all edges are accessible.

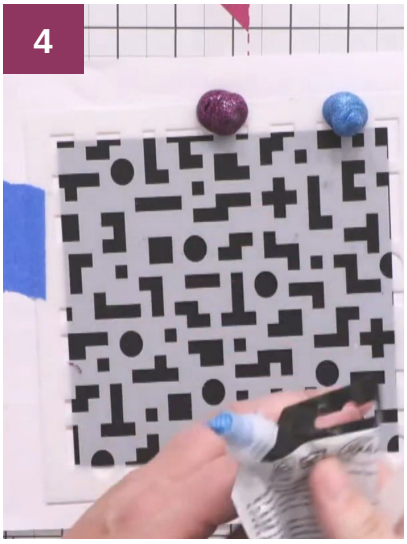
BEKIJK DEZE STAP - 4:15



STAP 3 VAN 9

Apply a blob of purple texture paste at the top of the stencil using the applicator nozzle.

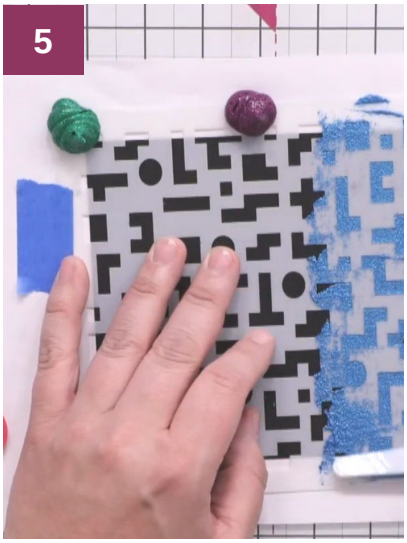
BEKIJK DEZE STAP - 5:15



STAP 4 VAN 9

Add a blob of Caribbean blue paint to the middle section of the stencil, between the two blue tape markers.

BEKIJK DEZE STAP - 5:30



STAP 5 VAN 9

Apply a blob of dark green diamond paint to the top right area of the stencil using a sponge applicator, dragging it across the geometric pattern to create texture.

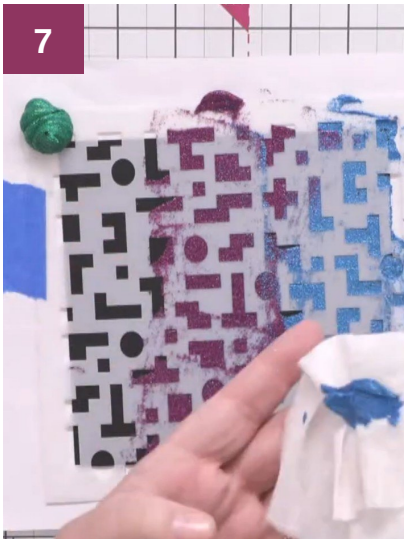
BEKIJK DEZE STAP - 5:45

STAP 6 VAN 9

Using an angled spatula, drag the three colours of diamond paint downwards across the stencil to create a gradient blend, ensuring full coverage of the pixel pattern design.

BEKIJK DEZE STAP - 5:45

7

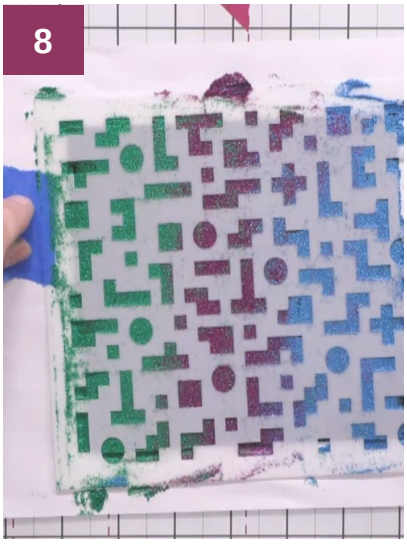


STAP 7 VAN 9

Remove the excess paste from the top of the stencil using a baby wipe or cloth. Lightly blend the colours together where they meet to create a smooth gradient effect.

BEKIJK DEZE STAP - 6:15

8

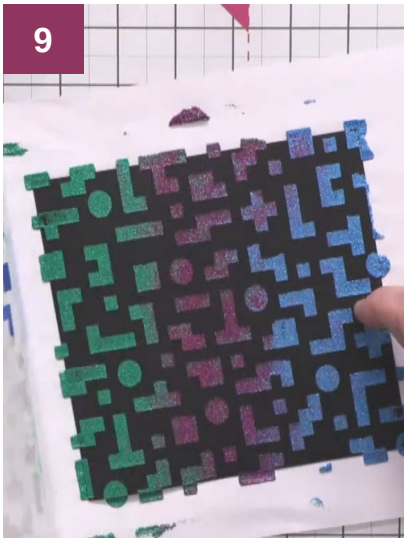


STAP 8 VAN 9

Carefully lift off the stencil to reveal the textured pixel pattern with crisp edges and shimmering gradient effect in green, purple and Caribbean blue.

BEKIJK DEZE STAP - 7:15

9



STAP 9 VAN 9

Use a heat gun to set the texture paste, holding it at a safe distance and moving it across the entire design until dry.

BEKIJK DEZE STAP - 8:00

TIPS UIT DE SHOW

- You can use just one colour if you prefer, rather than blending three together.
- Normally leave these to dry on a window ledge, but use a heat gun to speed up drying if needed for card assembly.
- The blue and white colour options work particularly well for Christmas cards.
