

Kaart met embossed F en chrysant

EEN PROJECT UIT ONZE LIVESHOW - HSN PRODUCT INSPIRATION - 8 SEPTEMBER 2026

OVER DIT PROJECT

Create a striking card featuring a large embossed gold 'F' initial paired with a beautifully layered chrysanthemum flower. The design combines elegant heat-embossed lettering with dimensional floral elements in soft pinks and whites against a delicate watercolour background. This sophisticated project uses die-cutting, heat embossing, and dimensional layering techniques to create a personalised greeting card perfect for any special occasion.

STAP VOOR STAP

STAP 1 VAN 12

Select a white card stock as your base. Prepare your anti-static bag to prevent embossing powder from scattering across your work surface.

[BEKIJK DEZE STAP - 37:00](#)

2

STAP 2 VAN 12

Place your large F stamp face-up on the Eureka 101 stamping tool. Apply sticky ink evenly across the entire stamp surface, ensuring full coverage of the design.

[BEKIJK DEZE STAP - 38:00](#)

3

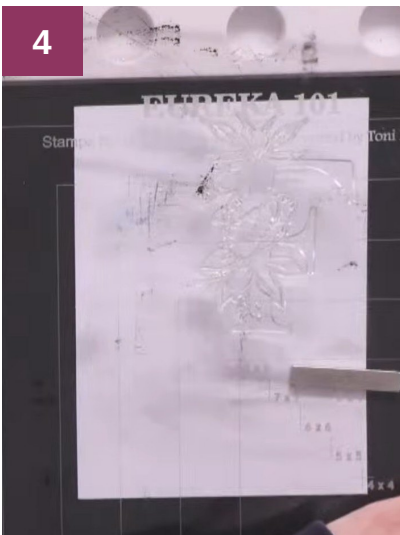

STAP 3 VAN 12

Stamp the letter F onto white card stock using the embossing pad. Press firmly to transfer the complete image, including the chrysanthemum flower detail in the centre.

[BEKIJK DEZE STAP - 39:00](#)

4

STAP 4 VAN 12

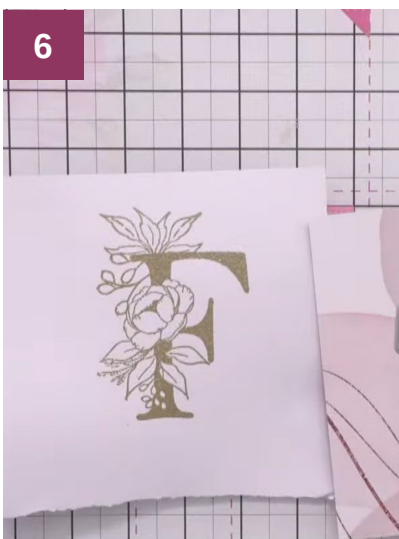

Apply metallic gold embossing powder over the wet ink, coating the entire stamped design. Tap off any excess powder back into the container.

[BEKIJK DEZE STAP - 39:15](#)

STAP 5 VAN 12

Heat set the embossed gold F using a heat gun, holding it at a safe distance from the card until the embossing powder melts and becomes glossy.

[BEKIJK DEZE STAP - 43:45](#)

STAP 6 VAN 12

Die cut the embossed F using the coordinating die. Run it through your die-cutting machine to create a clean, precise shape with the floral design.

[BEKIJK DEZE STAP - 45:45](#)

STAP 7 VAN 12

Cut a white card panel and a thin craft card border. Layer the craft card border beneath the embossed letter F to create dimension and contrast.

[BEKIJK DEZE STAP - 48:00](#)

8

STAP 8 VAN 12

Stamp the word 'Fabulous' in gold embossing powder at the top of the white craft border strip, positioning the 'F' upwards. Stamp the 'U' at the bottom of the strip, positioning it downwards to frame the floral arrangement.

[BEKIJK DEZE STAP - 52:00](#)

9

STAP 9 VAN 12

Adhere the pink craft border panel to the white card base, ensuring a thin white border is visible around the edges.

[BEKIJK DEZE STAP - 56:00](#)

10

STAP 10 VAN 12

Position and adhere the embossed gold F panel onto the pink speckled card base, placing it towards the upper portion to leave space below for the floral embellishment.

[BEKIJK DEZE STAP - 57:00](#)

STAP 11 VAN 12

Glue a small pink and white chrysanthemum flower into the lower portion of the card. Gently curl and twizzle the petals to add dimension and create a natural, three-dimensional appearance.

[BEKIJK DEZE STAP - 57:45](#)

STAP 12 VAN 12

Add a small sparkly gem or jewel to the centre of the flower to complete the card.

[BEKIJK DEZE STAP - 1:02:00](#)

TIPS UIT DE SHOW

- Heat your embossing gun until it is hot before applying it to the card to avoid warping the card stock.
- There is no right or wrong way to place the die cuts down, but ensure you use the correct side of the paper.
- Flowers are not perfectly symmetrical, so slight variations in petal placement and curling create a more natural appearance.
