

Patchwork Frame Card with Stencilled Background

EEN PROJECT UIT ONZE LIVESHOW - FUNKY TUESDAY - 20 SEPTEMBER 2022

HET EINDRESULTAAT

OVER DIT PROJECT

Create a charming autumn-themed card featuring a patchwork frame of coordinating patterned papers in warm oranges, yellows and browns. The design showcases a hand-coloured wreath stamp with the word 'AUTUMN' at its centre, mounted on an acetate window that reveals a stencilled background. This layered project combines stamping, die-cutting and paper piecing techniques to create a dimensional greeting card perfect for the autumn season.

STAP VOOR STAP

STAP 1 VAN 13

Using a square punch, punch small squares from various patterned papers in your chosen paper pad. Select different patterns including the orange polka dot and other coordinating designs.

STAP 2 VAN 13

Ink the edges of each punched square using a small piece of cut-and-dry foam and archival ink. This will define the squares and create a finished look. Work through all your punched squares in this way.

BEKIJK DEZE STAP - 7:45

STAP 3 VAN 13

Arrange the inked squares onto the kraft card stock in a patchwork frame pattern. Start by placing squares in the top corner, then work outward to create a border around the edges of the card.

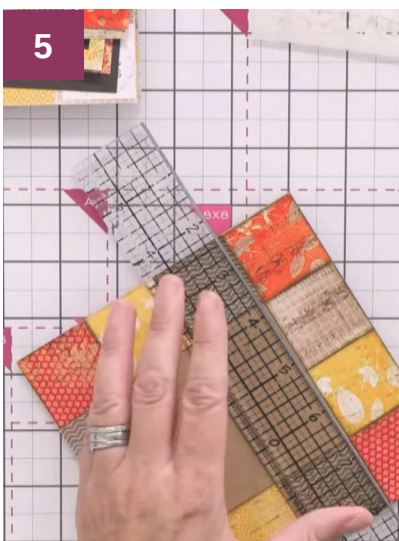

BEKIJK DEZE STAP - 9:00

STAP 4 VAN 13

Place the patchwork frame on your paper trimmer and trim the card front to size, keeping the patchwork frame intact. Use the trimmer's ruler guide to ensure straight edges.

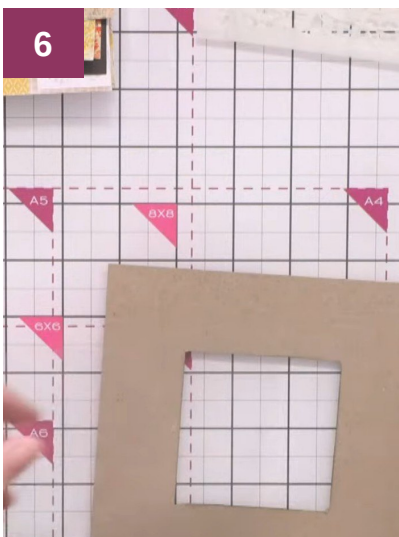

BEKIJK DEZE STAP - 12:15

STAP 5 VAN 13

Cut a square aperture in the centre of the patchwork frame using a craft knife and metal ruler. Alternatively, use a square die to create the opening.

BEKIJK DEZE STAP - 13:00

STAP 6 VAN 13

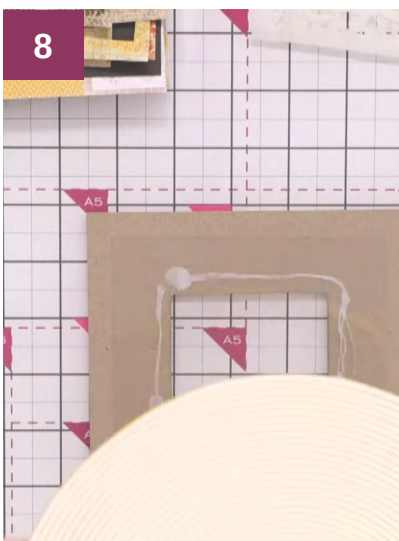

Using archival ink, carefully ink the inside edges of the window aperture to create a neat, finished edge around the frame opening.

BEKIJK DEZE STAP - 14:30

STAP 7 VAN 13

Apply wet glue around the edges of the acetate window. Adhere the acetate to the back of the kraft card frame to create a stable window.

STAP 8 VAN 13

Apply foam tape around the edges of the kraft frame to create dimension. This will lift the frame above the card base when attached.

STAP 9 VAN 13

Use the fall foliage stencil directly onto the card base with distress oxide inks in autumn colours. Apply the ink with a blending tool, focusing on the area that will be visible through the acetate window.

TIPS UIT DE SHOW

- Using a paper pad ensures all patterns and colours coordinate beautifully together without clashing.
- Inking the edges of punched squares gives a more forgiving finish if card stock shows through between pieces.
- The acetate window is optional but provides stability for posted cards and creates a perfect shaker window if desired.
