

Herfstlandschapkaart met glitterbomenrij

EEN PROJECT UIT ONZE LIVESHOW - FUNKY TUESDAY - 20 SEPTEMBER 2022

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning layered landscape card featuring a glittered tree silhouette against an autumn-coloured background. This dimensional design combines a stencilled sun, torn paper foreground elements, and a charming hedgehog character. The glitter technique adds a shimmering, eye-catching effect that brings the autumnal scene to life.

Uit de show: Funky Tuesday

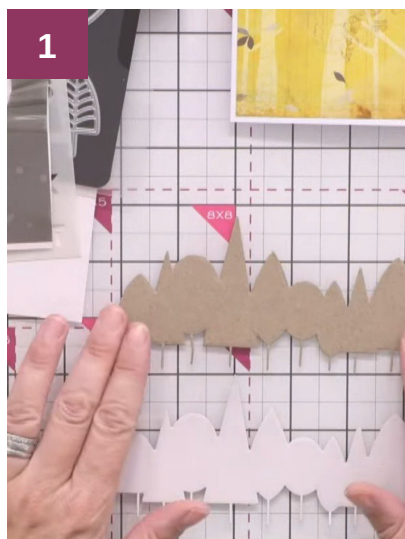

Getoond: 20 september 2022

Het project begint: 31:00 na het begin van de show

In deze handleiding: 13 stappen, allemaal met foto

STAP VOOR STAP

1

STAP 1 VAN 13

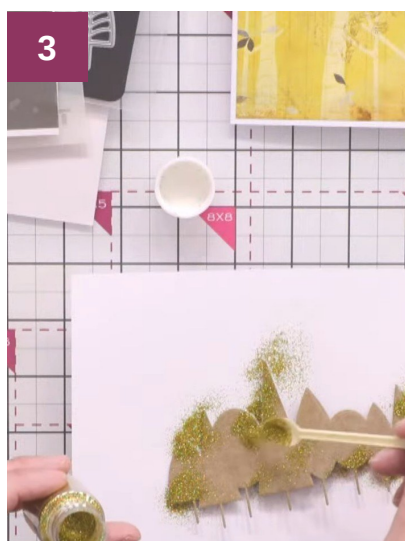

Apply double-sided adhesive sheet to the reverse of your kraft card stock before die cutting the tree line shape. This creates a sticky surface for adding glitter later.

[BEKIJK DEZE STAP - 34:00](#)

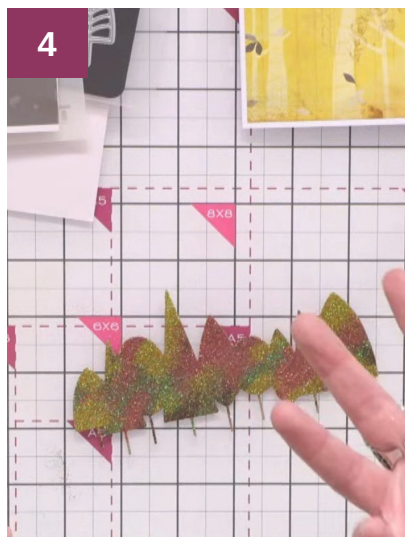

STAP 2 VAN 13

Remove the backing from the adhesive-covered tree base and place it on white card stock to catch excess glitter.

[BEKIJK DEZE STAP - 35:45](#)

STAP 3 VAN 13

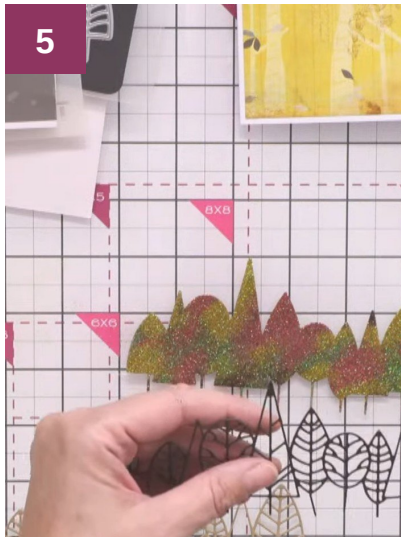

Sprinkle fine glitter in autumn colours (gold, pink, green, brown) across the sticky tree base using a small spoon. Layer the colours to create variation and depth across the tree line.

[BEKIJK DEZE STAP - 36:00](#)

STAP 4 VAN 13

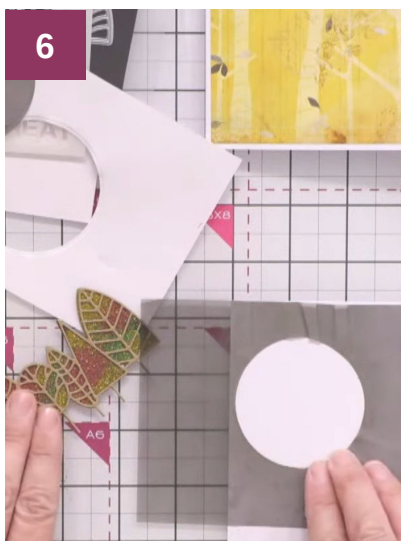

Burnish the glittered tree line pieces between layers of card to ensure the fine glitter adheres completely and becomes shed-proof.

[BEKIJK DEZE STAP - 39:30](#)

STAP 5 VAN 13

Position the dark brown tree line outline die cut over the glittered tree bases. Apply wet glue to adhere it in place, allowing a moment for the glue to grab before pressing down firmly.

[BEKIJK DEZE STAP - 40:15](#)

STAP 6 VAN 13

Die cut a circle from paper to use as a mask. Position the circle mask on your card base where you want the sun or moon aperture. Ink around the exposed area with fossilized amber and wild honey distress oxide inks to create a glowing effect.

[BEKIJK DEZE STAP - 43:00](#)

STAP 7 VAN 13

Position the autumn days stencil over the circular aperture. Using a blending tool, stencil wild honey ink through the stencil to add word details within the sun circle.

[BEKIJK DEZE STAP - 44:15](#)

STAP 8 VAN 13

Using a blending brush, blend peeled paint or rustic wilderness green Distress Oxide ink behind the tree line to create shading and depth. Work the ink gently to build up the colour gradually.

[BEKIJK DEZE STAP - 45:00](#)

STAP 9 VAN 13

Tear strips of patterned paper from the paper pad in brown and yellow tones, tearing away from you to minimise the white core showing.

[BEKIJK DEZE STAP - 46:15](#)

STAP 10 VAN 13

Tear strips of paper in coordinating colours. Apply glue only to the top edge of each strip and layer them onto the card base, positioning the brown ground layer at the bottom, the chevron patterned strip in the middle, and the yellow-green gradient strip at the top.

[BEKIJK DEZE STAP - 50:00](#)

STAP 11 VAN 13

Ink the edges of the layered paper strips with archival ink to define and finish the landscape layers. This adds depth and definition to each layer of the autumn scene.

[BEKIJK DEZE STAP - 51:00](#)

STAP 12 VAN 13

Apply foam tape to the reverse of the glittered tree die cut. Position and adhere the tree die cut in front of the yellow moon circle to create dimension on your card.

[BEKIJK DEZE STAP - 52:15](#)

STAP 13 VAN 13

Adhere the stamped and coloured hedgehog character to the lower right foreground of the card, positioning it on the yellow patterned ground layer to complete the autumn scene.

[BEKIJK DEZE STAP - 53:45](#)

TIPS UIT DE SHOW

- Fine glitter must be used for this technique as chunky glitter would be too heavy and not adhere properly to the adhesive.
- Applying glitter colours in sequence allows later colours to fill gaps around earlier ones for complete coverage.
- Tearing paper away from you minimises the white core of the card stock showing through the torn edge.
