Clean and Simple Layered Tree Die Card

EEN PROJECT UIT ONZE LIVESHOW - FUNKY TUESDAY - 6 SEPTEMBER 2022

HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant A6 card front featuring a layered autumn tree scene using the Tree Line die set. This clean and simple design combines solid die-cut trees with detailed overlays in warm autumnal colours including yellow, orange and red, set against a subtle stencilled background. The project demonstrates how to separate and layer the die components to achieve a sophisticated, minimalist look perfect for seasonal greetings.

STAP VOOR STAP

STAP 1 VAN 10

Die-cut the solid tree line from kraft cardstock to create a sturdy base layer for your card front.

STAP 2 VAN 10

Die-cut the solid tree line again using yellow patterned paper from the Mellow Moments pad. This creates a second layer of trees for your card.

STAP 3 VAN 10

Trim away the tree trunks from the detailed orange overlay die-cut piece to simplify the layering process. This will make it easier to align the pieces without worrying about matching up the small trunk sections.

STAP 4 VAN 10

Layer the patterned paper tree line over the craft cardstock base. Add the detailed overlay in dark brown cardstock on top of the tree line.

STAP 5 VAN 10

Using a blending brush, apply Fossilized Amber ink to the upper half of the card front, creating a warm background glow that fades from yellow at the top to the white card base below.

STAP 6 VAN 10

Using the Autumn Days stencil, lightly apply yellow and orange ink to the background of your card panel. Work around the main focal elements, avoiding the pumpkin area to keep it as a clear focal point.

STAP 7 VAN 10

Position the Full Foliage stencil over your background panel. Using a blending tool, apply Crackling Campfire ink through the stencil to add subtle texture to the background.

STAP 8 VAN 10

Mount the layered tree die-cut onto foam tape to add dimension to your card. Position it centrally on your card front.

BEKIJK DEZE STAP - 45:00

STAP 9 VAN 10

Stamp the word 'Thankful' from the Falling for Autumn stamp set onto white cardstock using black ink. Trim out the sentiment and adhere it to the lower portion of the card front below the tree border.

BEKIJK DEZE STAP - 45:30

STAP 10 VAN 10

Add gold enamel dots around the card as final embellishments. Place them randomly across the yellow starburst background and near the 'Thankful' sentiment to complete the design.

TIPS UIT DE SHOW

- You don't need to use the overlay die-cut if you prefer a simpler look; the solid tree line alone creates an effective focal point.
- Trim away the tree trunks from the detailed overlay to reduce the number of elements you need to align and adhere.
- Keep background stencilling subtle so it doesn't compete with the detailed tree die focal point.
