

Layered Floral Watercolour Card with Stamps by Me

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT - 17 AUGUSTUS 2022

OVER DIT PROJECT

A beautiful card using the layered lamination stamp technique from Stamps by Me. You create a soft watercoloured background with flowers and leaves, then add crisp detail layers on top to create an artistic, professional-looking design that appears to have taken hours.

Mix the colours slightly as you go to create natural shading, allowing colours to blend together gently.

TIPS UIT DE SHOW

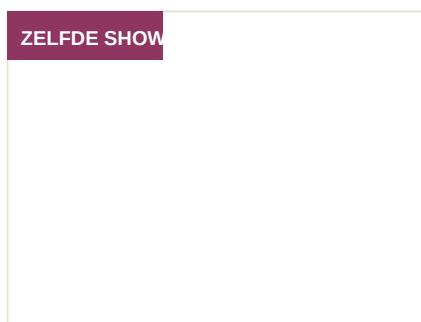

- You don't need to colour every part of the stamp perfectly; the layering technique makes it look professional even with imperfect coverage.
- The two-layer stamp design means you can use the silhouette layer as a separate stamp set if you wish.
