Landschapskaart met glitteraccenten

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 19 JANUARI 2026

HET EINDRESULTAAT

OVER DIT PROJECT

Create two stunning scenic cards featuring silhouette designs with added sparkle and dimension. Using the Moonlit Skies and Set the Scene dies, you'll craft a peaceful lakeside scene and a dramatic sunset with birds, enhanced with chunky glitter applied with clear-drying glue to catch the light. The glitter accents mimic natural highlights on water, trees and landscape elements for a beautiful finishing touch.

TIPS UIT DE SHOW

- Use the chunky glitter mix with clear-drying glue to make the sunlight appear to bounce off the tree.
- Stickles (crystal variety) are inexpensive and brilliant for adding sparkle to your cards.
- The dies work beautifully together or separately, however you want to use them.
