HET EINDRESULTAAT

OVER DIT PROJECT

Create an enchanting fairy card featuring mystical imagery in dark greens, blacks and whites with metallic gold accents. This elegant design uses embossing techniques on patterned paper, then reveals hidden details by applying white ink to create an ethereal, magical effect. The finished card showcases a beautiful fairy illustration with delicate wings and botanical elements, perfect for special occasions.

TIPS UIT DE SHOW

- The raised part of the embossing folder must be on the bottom to push the design up onto the card.
- A white ink pad works best for revealing designs on patterned papers.
- Colourless glitter adds elegant dimension without overwhelming the design.
