

Blackout Technique Card with Heat Embossed Dress Design

EEN PROJECT UIT ONZE LIVESHOW - FRIDAY LAUNCH - 5 AUGUSTUS 2022

OVER DIT PROJECT

A striking card featuring a heat-embossed dress silhouette that is coloured with ink sprays and finished with a blackout technique. The embossing acts as a resist, allowing you to layer colour and create a dramatic, multi-dimensional effect with splatter details.

TIPS UIT DE SHOW

- If you have a bad wrist or cannot do blending brush motions, use black ink spray instead of blending with a brush around the edges.
- The embossing powder acts as a resist, so any ink sprayed over it will not stick to the embossed areas.
- Tap your brush close to the card for small splats, or hold it higher for larger splatter effects.
