

Stencilled Lightning Background with Floral Focal Point

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT - 27 JULI 2022

OVER DIT PROJECT

Build a layered card with a geometric lightning stencil background in pink and orange tones, topped with a pre-coloured floral stamp die-cut and embellished with sparkle. The cross-hatched stencil technique creates dynamic visual interest.

TIPS UIT DE SHOW

- Don't be precious about stencil placement - you can use it creatively and rotate it for different effects.
- The glue dries clear, so don't worry if application looks messy.
- You can emboss the dies without cutting them if you prefer an embossed rather than die-cut finish.
