

Snapshot-portret met losse aquarel

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT - 23 JULI 2022

OVER DIT PROJECT

A stunning artistic card using the Snapshot stamp, which features a sketchy photographic portrait style. The image is enhanced with loose watercolour painting, white gel pen highlights, and layered with a stencilled background for a contemporary art journal effect.

TIPS UIT DE SHOW

- The Snapshot stamp has beautiful shading lines built in – use these as your guide for where to place highlights and shadows.
- Watercolour dries lighter, so apply colour generously and build up layers gradually.
- Use contour techniques from makeup application to add dimension to the face – darker shades around the edges, lighter in the centre.
