

Stylized Star Stencil Sunset Background Card

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT - 7 JULI 2022

OVER DIT PROJECT

Build an artistic background using the stylized star stencil with layered ink colours to create a sunset effect. The stencil's decorative edges add an elevated, gallery-like quality to a simple but striking card design.

TIPS UIT DE SHOW

- The stylized elements on the stencil edges are intentionally imperfect, like graffiti art, so don't worry about precision.
- Use half of the circle or other shapes if you want—there are no rules with these stencils.
