Stencilled Background Garden Card with Micro Pearls

EEN PROJECT UIT ONZE LIVESHOW - FUNKY TUESDAY - 5 JULI 2022

OVER DIT PROJECT

Design a delicate garden-themed card using stencil work with distress oxide inks, layered with micro pearl powder for subtle shimmer. The card features a soft background created by moving the stencil around the card and leaving white space in the centre for focal points.

TIPS UIT DE SHOW

- Pounce micro pearls onto wet distress oxide ink rather than brushing to avoid smearing the design.
- Distress oxide inks stay wet longer than pigment inks, giving you time to add embellishments before they dry.
- You can coordinate your card design by using the same watercolour paper for both the background mat and cut-out elements.
