

Watercolour Seahorse Lamination Card with Ink Pad Background

EEN PROJECT UIT ONZE LIVESHOW - HTC N LIVE LAUNCH - 2 JUNI 2022

OVER DIT PROJECT

Create a stunning card featuring a watercoloured seahorse using a two-part lamination stamp technique, combined with a hand-painted ink pad background and decorative bubble details. The result looks like a professionally painted underwater scene with sparkle and dimension.

Getoond: 2 juni 2022

Het project begint: 6:45 na het begin van de show

In deze handleiding: 16 stappen

[BEKIJK HET IN DE SHOW](#)

STAP VOOR STAP

1**STAP 1 VAN 16**

Take the solid portion of the lamination stamp and spot multiple ink pad colours (yellows and blues) across the stamp using the corner of the pad.

[BEKIJK DEZE STAP - 6:45](#)**2****STAP 2 VAN 16**

Spray the inked stamp lightly with water to blend the colours together, creating a watercolour effect.

[BEKIJK DEZE STAP - 8:45](#)**3****STAP 3 VAN 16**

Stamp the coloured solid portion onto watercolour card stock, pressing down firmly.

[BEKIJK DEZE STAP - 9:00](#)**4****STAP 4 VAN 16**

Add more yellow ink to the stamp if needed and repeat the spray and stamp process to build up colour intensity.

[BEKIJK DEZE STAP - 9:30](#)**5****STAP 5 VAN 16**

Dry the stamped image completely.

[BEKIJK DEZE STAP - 10:15](#)**6****STAP 6 VAN 16**

Stamp the outline detail layer on top of the dried watercoloured base using black ink.

[BEKIJK DEZE STAP - 12:00](#)**7****STAP 7 VAN 16**

Apply gold embossing powder to the black outline layer and heat set it for a luxurious finish.

[BEKIJK DEZE STAP - 12:15](#)

8**STAP 8 VAN 16**

Roughly cut out the seahorse image with scissors, not worrying about precision.

[BEKIJK DEZE STAP - 14:30](#)**9****STAP 9 VAN 16**

Create a coloured background by pressing ink pads directly onto watercolour card stock in multiple colours (green, dye, orange, pink), spraying with water between each layer and drying.

[BEKIJK DEZE STAP - 16:30](#)**10****STAP 10 VAN 16**

Add stem details to the background using a mask stamp and additional ink pad colours around the edges of your rectangular background shape.

[BEKIJK DEZE STAP - 24:15](#)**11****STAP 11 VAN 16**

Sponge white confetti ink onto the background using a sponge dauber, tapping to create bubble effects; apply in layers, drying between applications.

[BEKIJK DEZE STAP - 25:15](#)**12****STAP 12 VAN 16**

Draw dark circles of various sizes across the background using a dark pen to represent bubbles.

[BEKIJK DEZE STAP - 27:15](#)**13****STAP 13 VAN 16**

Add white gel pen highlights to the dark circles to make them look like dimensional bubbles.

[BEKIJK DEZE STAP - 28:00](#)**14****STAP 14 VAN 16**

Glue chunky glitter to the seahorse body, tail and fins using a glue pen, then shake off excess glitter.

[BEKIJK DEZE STAP - 29:15](#)

15

STAP 15 VAN 16

Mount the coloured background onto black card stock to make it pop.

[BEKIJK DEZE STAP - 31:30](#)

16

STAP 16 VAN 16

Stamp a sentiment from the set onto the card in black ink.

[BEKIJK DEZE STAP - 33:30](#)

TIPS UIT DE SHOW

- If you don't have watercolour card stock, normal card stock will work but won't move the ink around as easily.
- If you're not confident with fussy cutting, use a brush to colour in any white edges rather than worrying about perfect cuts.
- If the white edge from cutting bothers you, simply colour it in with a brush to match the image.
