

Mixed Media Stencil Card with Sponged Ink

EEN PROJECT UIT ONZE LIVESHOW - ANYTHING GOES - 1 JUNI 2022

OVER DIT PROJECT

Combine spray ink backgrounds with sponged ink through stencils to create a layered, multi-coloured card with both positive and negative effects. This technique produces a soft, blended look with unexpected colour combinations.

TIPS UIT DE SHOW

- Colours that don't normally go together can work beautifully once the card is trimmed down.
- Have confidence in your colour choices even if they seem unusual at first.
