EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT - 23 MEI 2022

OVER DIT PROJECT

Create a professional-looking gift card envelope using a die that cuts score lines and decorative edges. The die does all the measuring for you, adding stitch detail, wave edges, and a half-moon crescent pocket to hold gift cards, salon vouchers, or small treats.

TIPS UIT DE SHOW

- The die works with A5 machines and can be adapted for A4 machines by rotating the plates.
- You can choose to have the 'to and from' text on the inside or outside of the card by flipping the paper before folding.
- The uncoated cardstock means you can add inky techniques, watercolour, or other embellishments to personalise each card.
