

## Galaxy Background Circle Card with Stencilled Accent

EEN PROJECT UIT ONZE LIVESHOW - MONDAY MADNESS - 16 MEI 2022

### OVER DIT PROJECT

Create an adult-oriented card with a cosmic, galaxy-inspired background using blended ink colours. Cut circles from the inked background and layer them with foam pads, then add a subtle stencilled accent and sequin embellishments.

**Uit de show:** Monday Madness

**Getoond:** 16 mei 2022

**Het project begint:** 17:30 na het begin van de show

**In deze handleiding:** 16 stappen

## STAP VOOR STAP

---

**1****STAP 1 VAN 16**

Start with a piece of white textured card as your base.

**BEKIJK DEZE STAP - 18:00**

**2****STAP 2 VAN 16**

Begin with your lightest ink colour (orange) and apply it in irregular, non-perfect shapes across the card.

**BEKIJK DEZE STAP - 18:30**

**3****STAP 3 VAN 16**

Add red ink in the centre and darker areas, blending the colours together where they meet.

**BEKIJK DEZE STAP - 19:00**

**4****STAP 4 VAN 16**

Layer in purple ink, softening the edges where colours touch to create a gradient effect.

**BEKIJK DEZE STAP - 19:30**

**5****STAP 5 VAN 16**

Add blue ink and continue blending all colours together, creating a tie-dye effect.

**BEKIJK DEZE STAP - 20:00**

**6****STAP 6 VAN 16**

Finish with green ink, blending it into the composition and filling any remaining white gaps.

**BEKIJK DEZE STAP - 20:45**

**7****STAP 7 VAN 16**

Spritz the inked panel lightly with water to activate the inks and create star-like effects.

**BEKIJK DEZE STAP - 22:00**

**8****STAP 8 VAN 16**

Blot the water with kitchen towel and heat-set the panel with a heat gun to prevent cockling.

[BEKIJK DEZE STAP - 22:45](#)**9****STAP 9 VAN 16**

Use circle dies in various sizes to cut circles from the inked background panel.

[BEKIJK DEZE STAP - 23:45](#)**10****STAP 10 VAN 16**

Prepare a 6x6 inch white card base and apply a subtle stencilled background using a bubble waves stencil and two coordinating ink colours (cerise and outremer).

[BEKIJK DEZE STAP - 26:30](#)**11****STAP 11 VAN 16**

Brush the stencil colours softly from the edges inward to create a pastel effect without hard lines.

[BEKIJK DEZE STAP - 27:30](#)**12****STAP 12 VAN 16**

Stamp a sentiment (such as 'You Make Me Happy') in black ink in the bottom corner of the stencilled card.

[BEKIJK DEZE STAP - 29:00](#)**13****STAP 13 VAN 16**

Glue a textured card layer onto the white card base, then layer the stencilled card on top.

[BEKIJK DEZE STAP - 29:45](#)**14****STAP 14 VAN 16**

Adhere the largest cut circles flat to the card, then use foam pads under smaller circles to create varying height levels.

[BEKIJK DEZE STAP - 30:45](#)**15****STAP 15 VAN 16**

Position some circles so they extend off the edge of the card for added depth and visual interest.

[BEKIJK DEZE STAP - 31:30](#)

## 16

## STAP 16 VAN 16

Scatter coordinating sequins across the circles and card surface to add sparkle and finish the design.

BEKIJK DEZE STAP - 32:00

## TIPS UIT DE SHOW

- Always start with your lightest colour when blending inks to avoid contaminating your ink pads.
- Don't worry about colours clashing when blending—embrace the vibrant, tie-dye effect.
- You don't need to cover every area with the stencil; subtle background colour breaks up white card effectively.
