

Layered Floral Frame Card with Embossed Accents

EEN PROJECT UIT ONZE LIVESHOW - FRIDAY LAUNCH - 6 MEI 2022

OVER DIT PROJECT

A landscape card featuring a decorative fretwork frame created by layering die-cut elements, combined with hand-embossed floral layers and foliage to create a dimensional, textured design. The card uses clean and simple styling with strategic glitter accents for sparkle.

TIPS UIT DE SHOW

- You can leave some die-cut elements slightly raised rather than gluing them flat for added dimension.
- Layer foliage naturally so pieces overlap, just as they would in nature, rather than spacing them evenly.
- You don't have to use all the die-cut pieces from the set; select only what works for your design.
