EEN PROJECT UIT ONZE LIVESHOW - HSN SHOW MAY 3RD PRODUCT PREVIEW 2 - 30 APRIL 2022

OVER DIT PROJECT

A striking card featuring a stamped lady's face with a vibrant colourwashed background in multiple ink colours, finished with a sentiment stamp and splatter details. The design creates a modern, artistic poster-like effect with the lady's face left white to stand out against the coloured backdrop.

TIPS UIT DE SHOW

- You do not have to be an artist to create these styles of cards; simply stamp and add colour around the design.
- Splats and random colour application hide blocky painting and add to the artistic effect.
- Mounting the coloured image onto black cardstock makes the design pop because the contrast is striking.
