EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT LIVE - 27 APRIL 2022

OVER DIT PROJECT

Add subtle texture and visual interest to a card by scoring decorative lines that create a raised corner panel. This technique combines scoring with stamping to frame a focal flower design elegantly.

TIPS UIT DE SHOW

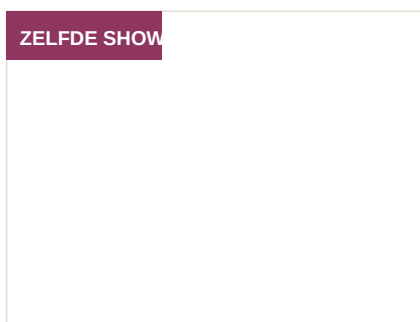

- The magnet in the Eureka 101 keeps your artwork completely still whilst scoring, preventing the scoreboard from moving.
- You don't need the texture to be the focus—the score lines can work as a subtle background detail to support your stamped design.
- Combine scoring with stamping to add multiple layers of visual interest to your card.
